**Re: In the Matter of the Application of The York Water Company, Under Section 1102(a)(1) of the Public Utility Code, for approval of the right of The York Water Company to begin to offer or furnish wastewater service to the public in a portion of Straban Township, Adams County, Pennsylvania
Docket No. A-2019-3014022**

Dear Secretary Chiavetta:

On January 22, 2020, The York Water Company (“York Water” or the “Company”) filed its answers to the Bureau of Technical Utility Services’ Data Requests, Set I, Nos A-1-2, 15-16, 29-30, 32, and 38 in the above-referenced proceeding. Recently, York Water observed that the Company needed to revise the attachment to its response to Discovery A-30, which was a copy of the *pro forma* tariff supplement incorporating any changes required to include the requested territory in York Water’s wastewater tariff. Specifically, on Revised Page No. 4, the “Straban Township Area” section heading incorrectly stated “East Prospect and Lower Windsor area” underneath it.

Enclosed is a corrected attachment to Discovery A-30, in which York Water has changed “East Prospect and Lower Windsor area” to “Straban Township area.”
