**Re: Plymouth Rock Energy LLC,  
Docket Nos. A-2011-2264916 and A-2013-2384046  
Notice of Non-Material Change**

To Whom It May Concern:

This letter serves as notice to the Pennsylvania Public Utility Commission ("PUC") that Plymouth Rock Energy LLC ("Licensee") has changed its legal name to ENGIE Power & Gas LLC, resulting in a non-material change to Licensee's license information. Also, as a result of an internal corporate reorganization, Licensee is now a direct wholly-owned subsidiary of ENGIE Resources LLC (whereas prior it was indirectly owned by ENGIE Resources through two internal holding companies). Thus, ENGIE Resources' ultimate ownership of Licensee has not changed.

Licensee's website url will be changed to [www.engiepowerandgas.com](http://www.engiepowerandgas.com), but the contact information provided therein will remain the same. In accordance with the PUC's checklists for a name change, Licensee includes the following with this Notice letter:

- Attachment 1      Template Notice to Customers Regarding Name Change
- Attachment 2      Documentation filed with the Pennsylvania Department of State supporting the amendment and with the State of New York, in which Licensee is incorporated
- Attachment 3      Certificates of Service

Additionally, a check made payable to the Commonwealth of Pennsylvania in the amount of \$700 is included with this application. Licensee will update its financial security with the correct information.

No other organizational or ownership changes to the Licensee have occurred. Licensee remains the same corporate entity and its DUNS Number and Federal Taxpayer Identification Number remain the same.
