**RE: Dominion Energy Transmission, Inc. (Docket Number A-2012-2294767) Withdrawal of Registration as a "Pipeline Operator" per PA Act 127**

Dear Mr. Horensky:

On March 20, 2019, Dominion Energy Transmission, Inc. (DETI) submitted its Act 127 Pennsylvania Operator Annual Registration Form for calendar year 2018. The only DETI pipeline included in this Annual Registration Form was 0.0 miles of Class 1 Gathering (Conventional) as noted in Appendix B. DETI sold this pipeline to Diversified Gas & Oil PLC effective September 2019. As a result, DETI no longer operates any pipelines subject to the requirements of PA Act 127 and respectfully withdraws its registration as a "Pipeline Operator" per PA Act 127. With DETI no longer operating any pipelines subject to the requirements of PA Act 127 as of December 31, 2019, DETI will not be submitting an Act 127 Pennsylvania Operator Annual Registration Form for calendar year 2019. If you have any questions concerning this issue, please do not hesitate to contact me via any of the provided means.

Thank you,

*Daniel Stahl*
