5. Applicant failed to attach information to its application that would indicate how Applicant intends to operate, thus Protestant believes and therefore avers that Applicant does not possess the requisite technical fitness to provide the proposed service.

6. Applicant failed to attach information to its application that would indicate how Applicant intends to comply with the Commission's driver and vehicle safety regulations and service standards in Chapter 29 (relating to motor carriers of passengers), thus Protestant believes and therefore avers that Applicant does not possess the requisite technical fitness to provide the proposed service.

7. Applicant failed to attach information to its application that would indicate how Applicant intends to secure sufficient and continuous insurance coverage for all vehicles to be used or useful in the provision of service to the public, thus Protestant believes and therefore avers that Applicant does not possess the requisite technical fitness to provide the proposed service.

8. Applicant has submitted no evidence indicating that Applicant can meet the criteria in 52 Pa. Code § 41.14, thus approval of the Application is not necessary or proper for the service, accommodation, convenience, or safety of the public and would be contrary to public interest.

9. Protestant is unaware of any restrictive amendment that would adequately protect Protestant's interest to the point where they will withdraw their Protest. However, Protestant is open and willing to negotiate such an agreement.

10. Regarding any hearing on this matter, pursuant to Pennsylvania Public Utility Code 66 Pa. C.S. § 333(c), demand is made upon Applicant to furnish to Protestant a list of the names and addresses of any witnesses, along with names and addresses of any

This is a continuing request and is applicable to all witnesses to be called.

WHEREFORE, Protestant, Good Cab, LLC, respectfully requests that this honorable Commission deny the Application of Reading Checker Cabs, LLC.

Date: 8/8/20

Respectfully submitted,
