re: extention on filing of exceptions

To: Office of Special Assistance

I'd like to request an extention on filing of Exceptions till the April of 2021. This had been a very difficult and stressful season personally as well as professionally.

My freelance work suffered a great deal due to the crisis of the Pandemic and at the moment I am also helping care for my mother's deteriorating health due to Alzheimer's. And as Fall approaches, I have my own struggle with Seasonal Affective Disorder which seems exacerbated by the stressful events in my life.

I would be grateful for the extension till Spring of 2021. But even a period of 2 months would be greatly appreciated. Thank you in advance for your consideration.

Sincerely,

Lori Bae
