**PENNSYLVANIA PUBLIC UTILITY COMMISSION  
Comments to an Application**

Filing this form does NOT make you a Party to the case.

You have two choices if you decide not to file a formal protest and become a party to the Application case:

1) If a public input hearing is held during the proceedings, you may appear before an administrative law judge and present testimony.

Public input hearings are sometimes held in Application cases. If a public input hearing is scheduled, it may be held in your area to give the public an opportunity to present testimony in person before an administrative law judge regarding the Application. Testimony made upon oath or affirmation at a public input hearing will be considered by the administrative law judge when rendering a decision in the case.

Notice of a public input hearing will be published in a newspaper of general circulation in your area, publicized through Commission press releases, and noted on the Commission's website: [www.puc.pa.gov](http://www.puc.pa.gov).

2) You may file written comments regarding the Application with the Secretary of the Commission which will be placed in the public comment folder of the case and may be reviewed by the Commission. However, written comments are not evidence and will not be considered by the administrative law judge in rendering a decision in the case.

To file written Comments - complete this form. (please type or print legibly in ink)
