Dear Eugene Sloush:

We are pleased that Power Marketing Group, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Power Marketing Group, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Power Marketing Group, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Power Marketing Group, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Power Marketing Group, LLC changes in the future, Columbia Gas might deem it appropriate to require Power Marketing Group, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Kylia Davis

Dear Eugene,

National Fuel Gas Distribution Corporation (“NFGDC”) is aware Power Marketing Group, LLC (PMG) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, PMG must furnish acceptable security to each utility where PMG will do business. As such, under its tariff, NFGDC could require PMG to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC’s understanding that PMG intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, PMG will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, PMG does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by PMG change in the future, NFGDC reserves the right to require security from PMG as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,

**RE: Power Marketing Group, LLC
Application to Serve as a Natural Gas Broker**

Dear Mr. Sloush,

Based on your assertion that Power Marketing Group, LLC (“Power Marketing”) is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division (“UGIU”) has concluded that Power Marketing will not need to post security with UGIU. This is based on the declaration that Power Marketing will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Power Marketing wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,

Dear Mr. Sloush:

We understand that Power Marketing Group, LLC has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because Power Marketing Group, LLC intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that Power Marketing Group, LLC will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided change in the future, we reserve the right to require security from Power Marketing Group, LLC as deemed appropriate.

Dear Mr. Sloush:

We are pleased that Power Marketing Group, LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, and Peoples Gas Company LLC (formerly Peoples TWP) ("the Companies").

Since Power Marketing Group, LLC is not currently serving customers on the Peoples systems, we have determined at this time that Power Marketing Group, LLC does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to Power Marketing Group, LLC provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

Re: Broker Requirements

Dear Power Marketing Group, LLC:

PECO is aware that Power Marketing Group, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Power Marketing Group, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Steven Schmidt

CEO - Power Marketing Group, LLC

Steven Schmidt earned his bachelor's degree from Temple University, majoring in Business Administration and minoring in Marketing. Steven did door to door sales for 16+ years. Starting his career while still in high school, he sold newspaper subscriptions, AAA memberships, and energy suppliers. He even continued working while attending college, which is how he paid his own way through Temple University. Steven started working for Comcast as a sales rep in 2004 while still in college, and was soon promoted to Sales Supervisor for the Philadelphia Region. He held that position for 4 years and then went on to start his own company focusing on residential maintenance services. In 2009, after he sold his maintenance company, he partnered with his long time friend and colleague, Eugene Sloush, and became co-owner of Genius Enterprises. In 2010 they founded Power Marketing Group, LLC.

Steven also started his own free web site, www.prosalesguide.com, which is based around sales and marketing techniques to improve the door to door sales industry. Creating opportunities for entrepreneurs and giving back is a mission that Steven has dedicated his life to.

Eugene Sloush

COO - Power Marketing Group, LLC

Eugene Sloush has been involved in sales since his early teens, selling newspaper subscriptions door to door. It was an early start to what has become an amazing career. In 1997 electricity in PA became deregulated, and Eugene was one of the first to market the new suppliers. In the following years he was instrumental in building sales offices for energy suppliers and phone companies. In 2003 Eugene started marketing for Comcast, and from there began his vision to form the best door to door sales company in the country. He founded Genius Enterprises in 2007 with Comcast as their first client. It's been a successful partnership ever since and Genius Enterprises remains one of Comcast's preferred vendors in Northeast US.

In 2011, Eugene along with his business partner Steven Schmidt formed Power Marketing Group, LLC (PMG), which specializes in door to door sales and telemarketing for deregulated energy suppliers. Their goal for Genius and PMG is to keep building quality relationships with clients, sales teams, and strategic marketing partners in order to provide a top notch service that is unmatched in the industry.
