Docket No. C-2020-3021066

**Secretary of the Pennsylvania Public Utility Commission,  
Post & Schell**

**Pursuant to PA. code 5.63, I am filing a reply to the NEW MATTER.**

**In reply to The York Water Company ANSWER AND NEW MATTER:**

**My water still smells like a wet dog or a dirty fish tank filter.**

**I was told by more than one York Water Company employee that the only way to fix my problem is to replace and extend the pipe in the street, AND, that the replacement was scheduled for 2020.**

**I do not believe that I am receiving adequate, safe, and reasonable water service from The York Water Company.**

**I do not recollect ever receiving a copy of a water test of the water from my property.**

**I am not an attorney licensed to practice law in Pennsylvania.**

**I would like to continue these proceedings to obtain a more equitable resolution.**

**Regards,**

Mr Andrew Kaufmann
