DOCKET No. C-2020-3021479

This is my reply to answers from
York Water Co. If there is no
problem, why did they install a
drain off? They know there is a
problem for the last 4 yrs.

We would like to know if V.P.
Vernon Bracey and Attorney Devin
Ryan would like to have water
with a odor? Coming from their
Water service.

The Water co. said that they flush
the line. continuously. That only
started after the complaint was
filed. Before I had to call & call
to get something done.

Sept. 20 - foul odor
Sept 21-23 Foul odor
Sept 24 - STINKS

Thank You
Edwin M Banhart

We Buy water every week to drink
Because no one will drink the water
after they smell it coming out of the
Faucet. What is their answer to
drinking the water this Winter.
last year we had to call every other
day. They can't let their water run
down the road.

If I hear End of the line IT'S
one time to many.

They have never checked the
water coming out of my Faucet.

May be V. P. Bracey and Dennis Ryan
would like to have a glass of water
from our Faucet.

We pay our water bill every month
We would like good smelling water.

We think 4 yrs. is long enough to
correct the problem.

Thank You
Edwin Banhart
