**RE: Valley Township Wastewater System, Chester County, Pennsylvania  
Act 537 Plan**

Dear Mr. Salvo,

Please be advised that to the best of my knowledge and belief, Valley Township's sanitary sewer system is in compliance with Valley Township's current Act 537 Sewage Facilities Plan.

Public water service is provided by either Valley Township or Pennsylvania American Water Company to the majority of wastewater customers with the exception of a small number of customers who are served by individual wells.

Sincerely,

Handwritten signature of Patrice Proctor in cursive.
