Dear Secretary Chiavetta:

Assurance Wireless USA, L.P. (“Assurance Wireless”) hereby notifies the Pennsylvania Public Utility Commission of a change to its existing Assurance Wireless Lifeline offer. This change is being made in order to comply with Federal Communications Commission (FCC) Minimum Service Standards requirements becoming effective December 1, 2020.¹

Assurance Wireless Lifeline customers are receiving a limited time promotional offer of 11.75 GB of broadband data, free of charge along with unlimited texting and 1,000 domestic voice minutes of use per month. Existing Lifeline customers with broadband service will receive this new promotional offer based on their normal service cycle during the month of November 2020 -- with all broadband Lifeline subscribers obtaining the promotional offer no later than December 1, 2020. New Lifeline customers will receive this offer beginning in November 2020. This promotional offer is subject to further change should the FCC adopt different Minimum Service Standards. Assurance Wireless will notify the Commission of any modifications to this promotional offer.
