Re: Knox Energy Cooperative Association, Inc., Revised Act 127 Registration
Docket No. A-2012-2294046

Dear Ms. Chiavetta,

In March 2019, I filed an Act 127 Annual Registration Form on behalf of the Knox Energy Cooperative Association, Inc. I recently discovered a major error in the mileage reported in that filing. I missed part of the data when transferring the mileage from a work sheet to the report and erroneously under reported the actual mileage. The correct total for 2019 is 253.5 miles, as reflected in the attached revised Registration Report.

I, Douglas P. Gray, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expects to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. 4904 (relating to unsworn falsification to authorities).
