

Before the PUC

Jason Paul
vs
Alliance Petroleum Corp

C2020 3021361

Petition for relief and Substance to conclusion of
law

1. Whereas I Jason paul was un able to make the prior conference call due to self quarttine I had called in to the 412 number to whitch they said I had to call on time I explain my health issue.
2. The conclusion of law rest with =many elements but the most apperant is the fact of iognorgance by alliance after numerous calls in past and danting court fillings to date
 - a. A mentioned before I had contacted the well operators of gonder well becace after the drilled deeper I notice a gas smell in my yard as time went on the ground sunk in more again gas smell present, to whitchthe gas well opwerater is NOT transparnt will not suppy maps or work history on the well,
Something they did went wrong andf there covering it up

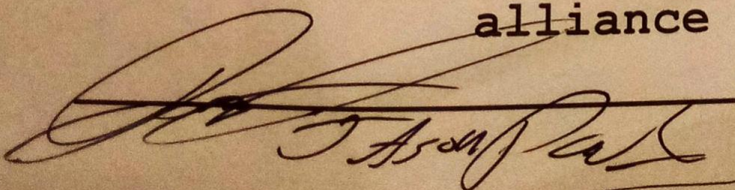

title 66 section 3309. Liability for damages occasioned by unlawful acts.

(a) General rule.--If any person or corporation shall do or cause to be done any act, matter, or thing prohibited or declared to be unlawful by this part, or shall refuse, neglect, or omit to do any act, matter, or thing enjoined or required to be done by this part, such person or corporation shall be liable to the person or corporation injured thereby in the full amount of damages sustained in consequence thereof. The liability of public utilities, contract carriers by motor vehicles, and brokers for negligence, as heretofore established by statute or by common law, shall not be held or construed to be altered or repealed by any of the provisions of this part.

(b) Rights of Commonwealth unaffected.--The recovery in this section authorized shall in no manner affect a recovery by the Commonwealth of the penalty prescribed in section 3301 (relating to civil penalties for violations) for such violations of this
