

**Application of Pennsylvania-American Water Company for Acquisition of
the Wastewater Assets of Upper Pottsgrove Township
66 Pa. C.S. § 1329
Application Filing Checklist – Water/Wastewater
Docket No. A-2020-3021460**

12. Provide a proposed tariff containing a rate equal to the existing rates of the seller at the time of the acquisition and a rate stabilization plan, if applicable to the acquisition.

RESPONSE: See enclosed **Appendix A-12**, *pro forma* Tariff Supplement No. XX to Tariff Wastewater PA P.U.C. No. 16 of PAWC, Wastewater Division, containing an initial base rate equal to the existing rates of Upper Pottsgrove at the time of the acquisition.

The APA does not contain any rate commitments, other than the adoption of Upper Pottsgrove's effective rates as set forth in Section 7.03 and on **Schedule 7.03(a)** of the APA, attached at **CONFIDENTIAL Appendix A-24-a** and therefore does not technically fall within the definition of a "rate stabilization plan" as defined by 66 Pa. C.S. § 1329. See Direct Testimony of Rod P. Nevirauaskis, PAWC St. No. 3, pp. 18-20, enclosed at **Appendix A-14-a**.
