Dear Mr Swindler;

November 21,2020

In response to the PUC letter received November 20,2020. Please forgive our oversight of not informing you of Emerick LLC's decision to cease operations. Due to the Covid-19 pandemic that created the lack of work in our area of operations, also considering that Mr Emerick turned 65 in November 2020, it was decided to retire and cease operations in the trucking industry. Our last interstate and or intrastate business concluded June 2020. All equipment has been sold and insurance was cancelled in October 2020.

We also filed a MCS-150 to cease operations, and also filed to voluntarily revoke our DOT/Authority, we also have filed our final 3rd qtr taxes and requested to close those accounts in various states that require permits to operate.

We would ask that you consider the complaint against us as invalid due to the fact that we no longer operate over the road trucking, and no longer own the equipment to make that possible. Please inform Emerick LLC of your decision going forward with this matter.

If we can be of further assistance please let us know.
