**Re: Edwin M. Bankert v. The York Water Company
Docket No. C-2020-3021479**

**Andrew Kaufmann v. The York Water Company
Docket No. C-2020-3021066**

Dear Judge Barnes:

Consistent with the agreement reached with Edwin M. Bankert and Andrew Kaufmann in the above-captioned matter, The York Water Company (“York Water” or the “Company”) hereby submits this status report on the main replacement project along Dunkard Valley Road.

On December 3 and 4, 2020, York Water personnel conducted measurements and sketches of the main replacement project, including the approximate locations of the new distribution main and hydrant. On December 7, 2020, York Water personnel consulted with a third party about applying for a 50-scale Highway Occupancy Permit with the Pennsylvania Department of Transportation (“PennDOT”). This permit is required to complete the main replacement project. York Water anticipates that the permit application will be submitted to PennDOT within the next few weeks.

York Water remains on track to complete the main replacement project in the first or second quarter of 2021 and by no later than June 15, 2021.

Copies of this status report will be provided as indicated on the Certificate of Service.
