Subject: **PUC Application, Amendment 1 for Docket # A-2020-3022819**

Dear Secretary of the Commission:

I am writing to request that the Certificate of Service for PUC Docket # A-2020-3022819 be amended. I spoke with George DiCarlantonio, PE of the PUC Rail Safety Section on 12/15/2020 and he requested that the Certificate of Service be amended to reflect the rail owner (Norfolk Southern), the rail owner's consultant (AECOM), and the Rossmoyne Road (State Route 2021) owner (Pennsylvania Department of Transportation).

Please find enclosed an updated Certificate of Service for PUC Docket # A-2020-3022819 to replace Certificate of Service dated 11/10/2020 in your files. The application has been emailed to all parties listed, to include those amended.

Please contact me at 717-254-0544 or todd.trautz@mbakerintl.com if you have any questions regarding this file or this amendment.

Sincerely,

MICHAEL BAKER INTERNATIONAL, INC.
