JOINDER OF INTERVENOR WEST WHITELAND TOWNSHIP

Intervenor West Whiteland Township (the “Township”) hereby joins in the post-hearing briefs submitted by the Flynn Complainants and Petitioner-Aligned Intervenors, insofar as they support the relief requested by the Township in its Petition to Intervene. To wit, the Township respectfully requests the following relief:

- a. That the Commission order Sunoco to develop and install a mass early warning notification system at all potentially affected properties located within the Township, which would provide immediately notice of a leak, potential explosion or other failure in the pipeline system;
- b. That the Commission order Sunoco to provide a Township specific comprehensive public education or emergency response plan designed to inform and educate the public and Township Officials and staff on proper and effective disaster prevention and response; and
- c. Such further relief as may be necessary or appropriate to protect the residents of West Whiteland Township.

Respectfully submitted,

LAMB MCERLANE PC
