RE: Public Hearing to drill private Well in Sagamore Estates, Serviced by Twin Lakes Water Company

To Whom It May Concern:

Please be advised that we have received an application from a resident for a well permit within the Sagamore Estates planned community. That permit was initially denied, and an appeal has been taken. An appeal hearing is currently scheduled for December 10, at 7:00 p.m at the Township Building in Shohola, located at 159 Twin Lakes Road, Shohola, PA.

Our Solicitor has requested that I advise you that the Township has been approached by other landowners within Sagamore Estates who have expressed interest in such waivers, presumably to terminate their existing service. We currently have several applications for other hearings to be scheduled in the New Year, and it should be expected by all interested parties that whatever decision the Board renders may be followed as precedent applying to future, similar applications. We would appreciate advance notice in the event that you plan to appear at the hearing and present evidence.

Please be guided accordingly.

Sincerely,

Diana Blume
Township Secretary
