Duquesne Light Company – Petition :
For Approval of Act 129 Phase IV Energy : Docket No. M-2020-3020818
Efficiency & Conservation Plan :

**COMMUNITY ACTION ASSOCIATION OF PENNSYLVANIA’S
PREHEARING MEMORANDUM**

I. HISTORY

The Community Action Association of Pennsylvania (CAAP) intervened in this matter by Petition to Intervene filed on December 21, 2020. CAAP is a statewide association representing Pennsylvania’s community action agencies that provide anti-poverty planning and community development activities for low-income communities and services to individuals and families. CAAP has intervened in prior matters before the Pennsylvania Public Utility Commission for the purpose of addressing a company’s universal service programs and Act 129 Plans. CAAP intervened in this particular matter to examine the Company’s proposed plan, particularly the low-income component of that plan. CAAP reserves the right to address other issues raised by the Company’s proposed Plan.

II. ISSUES TO BE PRESENTED BY CAAP

1. CAAP reserves the right to address all portions of the Company’s Plan but its main purpose is to address that portion of the Plan that addresses low-income customers.
2. Whether the Company’s Plan serves the substantial public interest in ensuring that low-income customers receive the consumption reduction benefits as required under Act 129 and the Phase IV Implementation Order.
3. Such other additional issues as may arise during the discovery process.

III. WITNESSES

CAAP will present the testimony of Susan A. Moore, Executive Director of CAAP, to address the issues above-described.

IV. PROPOSED SCHEDULE

CAAP will work with the other parties for an agreed upon schedule to be presented to the Administrative Law Judge.

V. SETTLEMENT

CAAP will be open to settlement discussions as this matter proceeds.

Respectfully submitted,
