Certificate of Service

Petition for Eligible Telecommunications Carrier Designation, P-2021-3023604  
filed on behalf of Youngsville Television Corporation

Dear Ms. Chiavetta,

Please accept for filing a corrected Certificate of Service in the above-referenced matter. This corrected certificate reflects service on the Small Business Advocate through the general contact email address for that office, as the email address previously used generated an invalid address response. This corrected certificate also reflects that the Petition has been served on Windstream, in addition to the other individuals previously listed. The Certificate of Service that was originally uploaded with the Petition earlier today should be rejected and removed from the docket.

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

A handwritten signature in cursive script that reads "Carol E. Matthey".
