I, Terry Hawk, am petitioning for reconsideration on behalf of Hawk Express LLC on the case C-2020-3019996.

1. We were unaware that electronic filing a response was required, until we received your most recent letter, with complete instructions on filing a response.
2. When contacting our insurance company in 06/2020, they communicated that all correct forms would be filed, matters were completed and no further correspondence would be necessary.
3. Upon receiving your most recent letter, I discovered that Classic Truck Insurance did not file Form H, the cargo insurance.
4. After contacting Classic Truck Insurance, they informed me that they filed Form E, without Form H because they did not realize that it was still required by Pennsylvania, even though it is not required by FMCSA and other states to be filed.
5. Form H will be filed by Classic Truck insurance within 48 hours of 01/19/2021.
6. Considering this pandemic emergency, we ask that you reconsider the cancellation of the certificate and waive the monetary fine because of misconstrued communications.

VERIFICATION

I, Terry Hawk, hereby state that the facts above set forth are true and correct to the best of my knowledge, information, and belief and that I expect to be able to prove the same at any hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. §4904 relating to unsworn falsification to authorities.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry Hawk', written in a cursive style.
