**RE: Docket No. C-2020-3021892**

To whom it may concern,

I am writing in response to the above referenced complaint. Due to the lack of work because of COVID, we lowered our insurance coverage since we were not able to operate at full capacity. We have maintained insurance coverage but not the amount required by the PUC for liability limit, \$750,000.

I went on the PUC website to see about what needs to be done to voluntarily suspend operating authority since I know that the amount of liability insurance, we currently have does not meet the PUC liability limit. I tried to email the email address that is listed for additional questions on suspending authority, [taroth@pa.gov](mailto:taroth@pa.gov), and I got a return error email when sending an email to this email address as not a valid email address.

Please advise what I need to do in order to suspend/cancel my operating authority at this time.
