**Re: Jay Larry Moyer v. PPL Electric Utilities Corporation  
Docket No. C-2017-2629683**

---

Dear Secretary Chiavetta:

PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) respectfully submits this letter in response to the letter, dated December 2, 2020, submitted by Jay Larry Moyer (“Complainant”) in the above captioned proceeding.

In his letter, Complainant raises several concerns about the year-end spreadsheets that were provided to him per his request. PPL Electric notes that its cover letter providing the year-end spreadsheets incorrectly used the term “satellite account” instead of “solar account.” This appears to have led to many of the Complainant’s allegations in his December 2, 2020 letter. The Complainant’s other allegations are nothing new and simply rehash many of the same arguments that the Complainant has made in this proceeding and his prior Formal Complaint proceedings. Furthermore, the record has been closed since May 22, 2018. Since that time, the Complainant has tried to reopen the record several times. All of those efforts have failed to do date. Therefore, the Complainant’s request that the Commission “accept this material for submission into the record and include this information in [its] review” should be denied.

Copies of this letter are being provided as indicated on the Certificate of Service.
