Docket Number: A-2020-3023024

To Whom It May Concern:

A letter dated December 1, 2020, was sent informing myself, Ryan Ferrier, that the Pennsylvania Public Utility Commission required additional information in order to complete the processing of **Packhorse Moving LLC**'s application for authority. I, Ryan Ferrier, the owner of Packhorse Moving LLC submitted the application along with the additional requirements necessary to proceed with the application process. An email was sent on December 3, 2020 at 7:39PM EST to Ryan Sheffer (rsheffer@pa.gov) and David B. Canzoneri (dcanzoneri@pa.gov) with the completed application as well as supporting documents. That email proof can be found on the next page.

I believe my application was dismissed **IN ERROR** as I supplied the necessary items requested of me within a timely fashion. I am officially requesting that my application be reconsidered and processed accordingly. Those documents and the proof of my email are attached alongside this letter of petition for reconsideration.

I can provide any additional documentation that is necessary as I am diligently trying to comply with all current regulations in regards to a local moving company.

I do desire to operate as a motor carrier within Pennsylvania as I have lived here my entire life and want to start giving back to the community and adding value as a small business.

As stated, I believe that I have received this letter in error, and please let me know as soon as possible of the next steps that are needed.

I, Ryan Ferrier, hereby state that the facts above set forth are true and correct (or are true and correct to the best of my knowledge, information and belief) and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).

Very truly yours,
