Dear Secretary Chiavetta:

Pursuant to the Secretarial Letter issued on May 13, 2020 in the above-referenced matter, Pennsylvania Power Company (“Penn Power” or the “Company”) is hereby submitting notice that the Company has established a regulatory asset for incremental expenses incurred associated with the directives of the Commission’s Emergency Order ratified on March 26, 2020, as subsequently modified by the directives of its Order entered October 13, 2020, both at Docket No. M-2020-3019244. Penn Power also continues tracking all other extraordinary, nonrecurring incremental COVID-19 related expenses, for which it is maintaining detailed accounting records.

Please contact me with any questions regarding the enclosures.

Very truly yours,
