1. My name is Shana-kay Reid and I'm writing this petition in regards to a cancelation letter that I received on January 22, 2021. I request to reinstate my certificated so that I can continue my services. Due to Covid-19 and the lock down order, I have been having endless problems with the insurance company and did not receive a complaint letter earlier.
2. In March of 2020 at the beginning of Covid-19 I have been trying to obtain insurance for my vehicle. At the time the insurance was expired and I need to find a new insurance company. My agent From Sovereign Risk went missing for a few months and I could not get a hold of her. I just received a new quote because she couldn't find a policy that would fit.
3. I have also purchased a new vehicle and would also like to register and cancel the old vehicle.
