PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

Good morning Jodi. I hope you are doing well.

I would like to have the email below from the complainant in the case DeRaffele v. PAWC C-2020-3022236 placed in the record of the case as ALJ Exhibit No. 1. Under normal circumstances (ie, if we were in the office), I would print it out and write a memo to you and drop off a hard copy so it can be put in the file. Since we are still teleworking, I am not sure what the easiest way to do this would be. Is there anyway you can just have this email forwarding to you the complainant's email placed into the record? If not, can you let me know what else I should do?

Thanks for your help,  
Joel

Mr. DeRaffele:

I just received the recording of your voice mail you left at 10:35. I am not sure where exactly you left the message but it was forwarded to me via email from one of our secretary's. In the message, you said that you missed the 10:00 call because you were having problems with your internet but that "you could be reached now." Mr. McHugh, his witness, the court reporter and I were on the call until at least 10:15, which is the normal amount of time we wait for parties to call in to the hearing. When you did not call in, we proceeded as if you were not going to appear and prosecute your complaint. I am not sure if your voice mail message is a request for another hearing, but if it is please put your request in writing and email it to me and copy Mr. McHugh.

Thank you,  
Joel Cheskis
