PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Madam Secretary:

1. Your letter of September 30, 2020 was not clearly explaining paragraphs 2-7 as to whom my exceptions were to be forwarded.

2. My letter of November 12, 2020 specifically identified my shortcomings & knew what I was to do and whom, specifically, should my exceptions be sent to. (a) I don't know who exactly "Certificate of Service" means or "indication that the parties present to the cases were served with the exceptions and then referencing Code § 5,533, which tells me nothing I am presumed to know. And then, last paragraph, letter dated November 20, 2020, is not clear to me because I had flown to Santa Fe, New Mexico where my daughter Marybeth met me and drove me to Angel Fire, New Mexico on November 21, 2020. (See my letter dated December 16, 2020. I returned to Sharon, Pa. on Monday December 28, 2020.)

On December 15 I received the exception from Emily Sarah. No one else forwarded anything. I called her last week to receive your phone number which is not included on your letters of September 30, 2020 and November 20, 2020. She has not called because of the New Year holidays.

What's a man to do?!?

Please, again, please list by name & title, Commission and complete address, where I can then send my exceptions, I promise my be blind --- but --- knowledge is power!

Please use the 2nd grade language for me to know exactly what should be sent and to whom.

You may call me at (412) 613-8060, in Sherm, Pa. (cell phone) because my daughter has me in a 10-12 day quarantine from my flights to Pittsburgh.

Sincerely
A. Raymond Kohler

P.S.
