Dear Mrs. Julie B. Steamer:

Re: Security Requirement for All Choice Energy MidAmerica LLC

Philadelphia Gas Works ("PGW") is aware that All Choice Energy MidAmerica LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of Philadelphia Gas Works. You have stated that, in performing these services, All Choice Energy MidAmerica LLC will take title to any delivered natural gas.

Under its tariff, Philadelphia Gas Works could require All Choice Energy MidAmerica LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate. Upon final approval of your application to PGW and prior to enrolling customers, security in the first year for firm pools will be required based on your estimated firm pool size. It will be updated annually based on actual firm pool size.

At this time, All Choice Energy MidAmerica LLC does not need to post a bond or other form of security.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,

John Zuk

Dear Mr. Polke,

Energy Acquisition is providing this notification letter that All Choice Energy MidAmerica LLC has met the creditworthiness business requirement involved with the Pennsylvania Gas Choice - Low Volume Transportation program. The Surety amount that would be requested for participation as a Supplier would be \$35,000 and may be submitted to PECO via three acceptable forms; a Cash Deposit, a Letter of Credit, or a Surety bond. PECO will hold any surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.

If you should have any questions regarding this matter, please contact us by visiting our website <https://electricandgaschoice.force.com/s/>.

RE: UGI Financial Security Requirements

Dear Mr. Polke ,

UGI Utilities, Inc.-Gas Division (hereinafter "UGIU") has reviewed the application of All Choice Energy MidAmerica, LLC (hereinafter "All Choice") for approval to operate as a Natural Gas Supplier. Based on this initial review, All Choice must post security as specified in the UGIU Supplier Coordination Tariff before it serves customers on the UGIU distribution systems. Such security forms and amounts can be found in Section 8 of UGIU's Gas Choice Tariff No. 7S at <https://ugi.outsystemsenterprise.com/UGITariff FO/Tariffs>. Once such security is posted with UGIU, All Choice will have demonstrated adequate creditworthiness to UGIU in order to operate as a Natural Gas Supplier on the UGIU distribution system.

This determination may change in the event there is a material deterioration in All Choice's financial condition, if All Choice's obligations to UGIU exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if All Choice fails to abide by the terms and conditions of the UGIU Gas Tariff and the UGIU Natural Gas Supplier Coordination Tariff.

Please feel free to contact me with any additional questions you may have.

Sincerely,

A handwritten signature in cursive script that reads "Sherry Epler".

Required of ALL Applicants regardless of operating as a supplier, broker, marketer, or aggregator.

Notice of filing of this Application must be published in newspapers of general circulation covering each county in which the applicant intends to provide service. The newspapers in which proof of publication are required is dependent on the service territories the applicant is proposing to serve.
