RE: Docket No. A-2018-2453680

Dear Ms. Chiavetta,

Please accept this correspondence as Apex WML Midstream, LLC's ("WML's") request for issuance of a docket number to WML and cancellation of the docket registration for Apex Energy (PA), LLC ("Apex-PA"). The pipeline and midstream assets formerly owned by Apex-PA were transferred to WML. As a result of this transfer, WML is the operator of the midstream assets subject to reporting to the Pennsylvania Public Utility Commission and Apex-PA no longer owns midstream assets.

With that background, WML is requesting that a docket number be issued to it for the purpose of filing its annual report to the Pennsylvania Public Utility Commission. Apex-PA is requesting that its docket number with the Pennsylvania Public Utility Commission be cancelled as it no longer owns or operates midstream assets.

Thank you in advance for your assistance in this matter. If you have any questions regarding this request or require additional information, please contact me by telephone at 724-719-2611 ext. 106 or via email at chess@apexenergyllc.com.

Very truly yours,

Christopher J. Hess
