**PECO STATUS REPORT #2**

---

On November 10, 2020, Your Honor issued an Order Granting PECO’s Motion for Stay. In Ordering Paragraph 2, Your Honor directed “[t]hat the Respondent shall file a status report with the presiding officer and the opposing party, within sixty (60) days of the date of this Order, and every sixty (60) days thereafter, until the civil proceeding has concluded.” PECO filed its Status Report #1 on January 11, 2021. This is PECO Status Report #2.

**Prior Status Reports**

In PECO Status Report #1, PECO reported that:

- On October 30, 2020, PECO filed a Complaint with the Court of Common Pleas of Montgomery County, in which it seeks a declaratory judgment that it has an irrevocable license or, in the alternative, a prescriptive easement, to operate, maintain, and update its poles, power lines, and equipment on the Watson property.
- On December 18, 2020, the Watsons filed their Answer, New Matter, and Counterclaims in which they deny the allegations of PECO’s Complaint and seek a determination that PECO is trespassing and should be ejected from their property.
- On January 11, 2021, PECO filed its Answer to the Watson New Matter and Counterclaims.

## **PECO Status Report #2**

There have been no developments in the civil litigation since PECO Status Report #1.

Respectfully Submitted,

---
