**Re: Petition of Youngsville Television Corporation for Eligible Telecommunications
Carrier Designation, P-2021-3023604**

Dear Ms. Chiavetta,

On behalf of Youngsville Television Corporation (YTV), this letter is filed to correct a small clerical error in YTV's Petition for Eligible Telecommunications Carrier Designation that was filed on January 6, 2021. The petition indicated that YTV had been assigned winning bids for \$5,031,287.70 in funding over a ten-year period (\$503,128.77 annually) to serve 4,398 locations. The corrected information is follows:

YTV has been assigned winning bids and has filed a long-form application at the Federal Communications Commission to be authorized to receive \$5,105,375.70 in funding over a ten-year period (\$510,537.57 annually) to serve 4,460 locations.

If you have any questions, please do not hesitate to contact the undersigned.

Respectfully submitted,

/s/
