

Cover Letter for ACT 127 Filing

From: Jameson Gowin, DOT Compliance Advisor

Company: XTO Energy, & Mountain Gathering, LLC

Date: 3/29/2021

Subject: Act 127 Filing

This memo to file is to notify the Pa PUC that on behalf of XTO Energy and Mountain Gathering, LLC we are re-submitting our ACT 127 registration forms separately. I recently completed the e-filing on 3/25/2021 and included both company ACT 127 forms together, while submitting payment, the system timed out and did not fully process. I was given an e-filing number of 2076272. I will be filing the ACT 127 for each company separately and will make an e-payment of \$250.00 dollars for each annual registration completion. If additional information is needed please feel free to contact me below.
