Dear Angelo Chambrone:

We are pleased that Clear Point Energy, Inc. has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Clear Point Energy, Inc. could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. If the creditworthiness requirement or Columbia Gas' exposure to Clear Point Energy, Inc. changes in the future, Columbia Gas might deem it appropriate to require Clear Point Energy, Inc. to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Re: Broker Requirements

Dear Clear Point Energy, Inc.:

PECO is aware that Clear Point Energy, Inc. has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Clear Point Energy, Inc. could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Clear Point Energy, Inc. has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Clear Point Energy, Inc. does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Clear Point Energy, Inc. the creditworthiness requirement for PECO's exposure to Clear Point Energy, Inc. changes in the future, PECO reserves the right to require Clear Point Energy, Inc. to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Dear Angelo,

National Fuel Gas Distribution Corporation (“NFGDC”) is aware Clear Point Energy, Inc (CPE) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, CPE must furnish acceptable security to each utility where CPE will do business. As such, under its tariff, NFGDC could require CPE to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC’s understanding that CPE intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, CPE will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, CPE does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by CPE change in the future, NFGDC reserves the right to require security from CPE as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

**RE: Clear Point Energy, Inc.
Application to Serve as a Natural Gas Broker**

Dear Mr. Chambrone,

Based on your assertion that Clear Point Energy, Inc. ("Clear Point") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Clear Point will not need to post security with UGIU. This is based on the declaration that Clear Point will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Clear Point wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.
