To Whom It May Concern;

The attached was received and to date Medi-assist Transportation is no longer in business. There were no transports in 2019, and the foreseeable future of the business in 2019 was that it was not going to obtain any contracts for transport. Therefore, the business would not resume insurances or bonds. The company did not do business at any time without the requirements placed forward by PUC. With the Covid pandemic, it became even more evident that the company would be terminated early 2020.

We were not aware of any type or notification requirement to PUC that the business was closed. Please take this letter as notification that the business was closed in 2020 with no transportation in 2020 and 2019.

If you need any further information, please let us know and we will attempt to provide any more information at your request.

Thank You,

Patricia McIlrath
