**PREHEARING CONFERENCE MEMORANDUM
OF JILL ADAMAN**

Pursuant to 52 Pa.Code § 5.222(d), and in response to the Prehearing Conference Order in the above-captioned matter, Jill Adaman provides the following information:

1 Introduction

1.1 On March 1, 2021, PECO filed with the Pennsylvania Public Utility Commission for a Finding of Necessity Pursuant to 53 P.S. § 10619 that the Situation of Two Buildings Associated with a Gas Reliability Station in Marple Township, Delaware County Is Reasonably Necessary for the Convenience and Welfare of the Public.

1.2 On April 12, 2021, Jill Adaman filed a protest to Docket Number P-2021-3024328.

2 Issues to be Presented

2.1 My neighbors and I were not notified in advance of PECO's plans to build a reliability station on this site. PECO's claim to extensive written communications with numerous local residents" amounts to a brochure sent by mail periodically to announce the progress of the project. There was no outreach in advance which would have allowed for meaningful resident input.

2.2 This site is in the midst of a densely populated area which includes private homes, an elementary school, and local businesses. If a traffic accident or malicious act resulted in a breach of the facility, the results could be catastrophic in terms of lives lost and property damaged.

2.3 The proposed facility endangers the health of local residents. For example, my father is 91 years old and has chronic lung disease. He will not be able to tolerate the pollutants emitted by a facility of this type.

2.4 By PECO's own admission, this would be the first facility of its kind in the PECO system. My neighbors and I are very concerned that in this case, PECO "doesn't know what it doesn't know." They are experimenting with the lives of innocent people.

2.5 PECO argues that they must locate this facility in close proximity to the existing gas main running along Sproul Road. This appears to be purely a financial consideration lacking any safety consideration. This facility would be much better placed in the Lawrence Park Industrial Center, which is much less densely populated.

3 Service List – Jill Adaman wishes to be a Party of Record and to be on the Limited Service List.

4 Witnesses - Jill Adaman reserves the right to call expert witnesses in the future as necessary.

5 Public Input Hearings – Jill Adaman respectfully requests a series of Public Input Hearings, so that the residents of Marple Township can Testify about their issues and concerns in this matter.

6 Site Visits – Jill Adaman respectfully requests a site visit to the corner of Sproul and Cedar Grove Rds in Marple Township, Delaware County, for the purpose of conducting an on-site hearing to view the property and listen to the specific concerns of this Party as to the potential effect of the Project. I am willing and able to assemble safely for this purpose.

7 Discovery – Jill Adaman defers to the attorneys for Marple Township and Delaware County.

8 Procedural Schedule

8.2 Jill Adaman will cooperate with the ALJ and the other Parties to create a reasonable procedural schedule for this matter.

9 Settlement

9.2 Jill Adaman will participate in settlement discussions that may arise during the pendency of this matter.

Respectfully Submitted,
