In re: Petition of Windstream Communications, Inc.
for Designation as an Eligible Telecommunications Carrier

Dear Secretary Chiavetta:

We are counsel to Windstream Communications, Inc. and are submitting, via electronic filing with this letter, the Company's Petition for Designation as an Eligible Telecommunications Carrier. The Petition relates to certain Pennsylvania areas covered by the Federal Communications Commission's Rural Digital Opportunity Fund Phase I Auction and is submitted pursuant to the requirements of the Pennsylvania Public Utility Commission, Section 214(e)(2) of the Communications Act of 1934, as amended and Sections 54.201 and 54.202 of the Federal Communications Commission's Rules. As presented in the Petition, the Company respectfully requests that the Commission address the Petition on or before June 7, 2021.

A copy of the Petition is being served upon the persons and in the manner set forth on the certificate of service attached to it.

Very truly yours,

THOMAS, NIESEN & THOMAS, LLC

By 

Thomas T. Niesen

**BEFORE THE
PENNSYLVANIA PUBLIC SERVICE COMMISSION**

In the Matter of)	
)	
Windstream Communications, Inc.)	Docket No. _____
)	
Petition for Designation as an)	
Eligible Telecommunications Carrier)	

**PETITION OF WINDSTREAM COMMUNICATIONS, INC.
FOR DESIGNATION AS AN ELIGIBLE TELECOMMUNICATIONS CARRIER**

Windstream Communications, Inc. (“WC” or “Company”) requests the Pennsylvania Public Utility Commission (the “Commission”) to approve its request for designation as an Eligible Telecommunications Carrier (“ETC”) covering 345 census block groups in 4,915 eligible census blocks located in Allegheny, Armstrong, Beaver, Bedford, Berks, Blair, Bradford, Butler, Cambria, Cameron, Carbon, Centre, Chester, Clarion, Clearfield, Clinton, Columbia, Crawford, Elk, Erie, Fayette, Forest, Greene, Huntingdon, Indiana, Jefferson, Lancaster, Lawrence, Lebanon, Lehigh, Luzerne, Lycoming, McKean, Mercer, Mifflin, Montgomery, Montour, Northumberland, Perry, Schuylkill, Snyder, Tioga, Union, Venango, Washington, and Westmoreland Counties (collectively, the “Census Block Groups” and each, individually, a “Census Block Group”) identified in **Exhibit A**. This petition is submitted pursuant to Section 214(e)(2) of the Communications Act of 1934, as amended (the “Act”),¹ Sections 54.201 and 54.202 of the Federal Communications Commission (“FCC”) rules,² and the requirements of the Commission³. WC’s

¹ 47 U.S.C. § 214(e)(2)

² 47 C.F.R. §§ 54.201 and 54.202.

³ 52 Pa. Code § 69.2501. *See also*, 66 Pa. C.S. § 3019(f).

request for ETC designation relates to certain Pennsylvania areas covered by the FCC’s Rural Digital Opportunity Fund Phase I Auction (Auction 904) (the “RDOF Auction”).

WC further respectfully requests that the Commission issue an order designating WC as an ETC in the state of Pennsylvania on or before June 7, 2021, pursuant to the Act⁴ and FCC rules and the Orders of this Commission, or order any other relief on a timely basis as may be appropriate. In support of this Petition, WC states as follows:

I. Company Overview

1. WC is a Delaware company with a place of business at 4001 North Rodney Parham Road, Little Rock, Arkansas 72212. WC is authorized by the Commission to provide local exchange, and interexchange services in Pennsylvania.⁵ WC is authorized to do business in Pennsylvania, and copies of its registration as a company doing business in Pennsylvania are on file with the Secretary of State.

2. Petitioner WC is an indirect subsidiary of Windstream Holdings II, LLC (hereinafter, “Windstream”) and a direct wholly owned subsidiary of Windstream Services, LLC (hereinafter, “Windstream Services”), both Delaware limited liability companies also headquartered at the same address as WC. Windstream, through its subsidiaries, is a leading provider of advanced network communications and technology solutions for consumers, small businesses, enterprise organizations and carrier partners across the U.S. Windstream provides voice and data services that enhance the communication capabilities of consumers and businesses throughout Pennsylvania. Windstream’s consumer and small business segment includes approximately 1.4 million residential and small business customers that receive voice, broadband, entertainment, and security solutions. Windstream’s enterprise business segment offers services such as software-

⁴ 47 U.S.C. § 214(e)(2)

⁵ Docket No.: A-311402 and A-311402 F0002

defined wide area networking (“SD-WAN”) and unified communications as a service (“UcaaS”) to businesses across the U.S.

Windstream does not provide telecommunications services in its own right. Rather, it owns and operates a number of licensed telecommunications providers in all states and the District of Columbia, many of which also hold authority from the FCC to provide domestic interstate and international telecommunications services.

3. WC has operated as a local exchange and interexchange provider in Pennsylvania for almost 15 years. WC’s incumbent affiliates have operated in Pennsylvania for over 100 years. WC is managed by the same company officers and management team that oversees its affiliates. WC’s affiliates also have successfully participated in federal broadband programs such as the Connect America Fund (both phases) and the Rural Utilities Service program. In addition, WC’s affiliates have previously participated in and will continue to participate in state broadband expansion programs. As a result, WC has the necessary experience to implement and execute the requirements both under the RDOF program, as well as federal and state ETC obligations.

II. Rural Digital Opportunity Fund Participation

On December 7, 2020, the FCC announced that Windstream Services, was a winning bidder in Auction 904 for census block groups in 18 states, including Pennsylvania.⁶ As a condition of receiving funding, Windstream Services or its assignee (as described below) must obtain from either the relevant state commission, or from the FCC where such state commission lacks jurisdiction, ETC designation to cover its winning bid areas by June 7, 2021.⁷ WC is in the process of seeking designation as an ETC in each of the 18 states in which it was selected as a winning

⁶ *RDOF Winning Bidder PN*, Attach. A at pp. 8-9.

⁷ *RDOF Winning Bidder PN* at ¶ 36. The FCC “will presume that an entity acted in good faith if the entity files its ETC application within 30 days of the release of” the RDOF Winning Bidder PN. *Id.* at ¶ 37.

bidder and specifically seeks such designation from Pennsylvania for the 345 eligible census block groups in the state for which it has been announced as a winning bidder in Auction 904.⁸

Windstream is committed to closing the digital broadband divide in the United States by working to provide greater access to voice and broadband services in unserved, rural, and or high-cost areas. Being awarded over \$523 million in RDOF funding across 18 states, Windstream plans to bring fiber-to-the-home to nearly 200,000 locations.

A. Winning Bids Assigned to WC

Per the FCC's procedures for the RDOF Auction, winning bidders could divide and/or wholly assign their bids to affiliated operating companies.⁹ Windstream Services assigned its winning RDOF Auction bids for the Census Block Groups to WC, an approved local and long distance provider in Pennsylvania. As assignee of the Pennsylvania bids, WC must satisfy certain public interest requirements, including eventual designation as an ETC for the respective RDOF Census Block Groups originally awarded to Windstream Services. By assignment, WC, has been selected to receive \$6,407,229 over a ten-year period (\$640,722 annually) to provide services to 345 census block groups in Pennsylvania¹⁰. The census blocks and census block groups associated with WC's winning bids are identified in **Exhibit A**, as well as a map illustrating the RDOF census blocks in **Exhibit B**.

B. Communications and Correspondence

The legal name, address and telephone number of WC is as follows:

Windstream Communications, Inc.
4001 North Rodney Parham Road

⁸ See Exhibit A for the identified census block groups in Pennsylvania and Exhibit B for a map of the same.

⁹ See *Rural Digital Opportunity Fund Phase I Auction Scheduled for October 29, 2020; Notice and Filing Requirements and Other Procedures for Auction 904*, Public Notice, FCC 20-77, 35 FCC Rcd 686 (June 11, 2020) ("*Auction 904 Procedures Public Notice*"), at ¶ 43.

¹⁰ WC acknowledges a number of the Census Block Groups listed in Exhibit A are outside of its current certificated territory, WC intends to utilize VoIP technology to provide voice services in its RDOF supported areas. In addition, WC will file a request to expand its CLEC certificate in 2021 to cover these additional territories.

The name and title of the officer or representative of WC authorizing this Petition is,
Jeff Small, whose signature appears at the end of this Petition as **Exhibit D**.

III. Request for Expedited Consideration

In order to be eligible for RDOF funds, WC must be designated as an ETC in the Census Block Groups. The FCC's rules for the RDOF Auction did not require that participants be an ETC as of the initial short-form application filing deadline.¹¹ Instead, a company that is awarded support is expected to obtain an ETC designation for the areas covered by its successful bids within 180 days after being announced as a winning bidder.¹² Winning bidders must submit appropriate documentation of such ETC status to the FCC.¹³ As noted, WC has been selected as a winning bidder in the RDOF Auction for 119 eligible census block groups in Pennsylvania. Because the

¹¹ *Auction 904 Procedures Public Notice*, at ¶ 136.

¹² *Id.*

¹³ *Id.*

timeframe for WC to obtain ETC designation is short and the consequences of failure to do so would prevent WC from expanding service to the Census Block Groups, WC respectfully requests that the Commission review this application promptly and grant ETC designation to WC on an expedited basis.

IV. WC Meets the Requirements for ETC Certification

WC meets the requirements of ETC designations. WC will comply with the requirements under Section 214(e)(2) of the Act, provides all of the services and functionalities supported by the federal universal service program under 47 C.F.R. § 54.101 and will do so in the Census Block Groups that are the subject of this petition.

1. WC Will Provide Service as a Common Carrier (47 U.S.C. § 214(e)(1); 47 C.F.R. § 54.201(d))

For purposes of this designation, WC will offer a proven fiber-to-the-premise network architecture to deliver broadband and voice services. WC's affiliates have extensive experience deploying this type of network as it has constructed this same network to over 477,000 consumer and business locations in 18 states. Subscriber voice traffic will transit Windstream Services' highly redundant, all-fiber network and connect with Windstream Services' wholly-owned switching network, which currently supports nearly 2 million voice lines across 18 states. As such, with respect to the voice service it plans to deploy in the areas listed in **Exhibit A**, WC is a common carrier.

2. WC Satisfies All Federal Requirements for ETC Designation

Section 214(e) of the Act requires a carrier seeking ETC designation to certify that it offers services supported by the federal universal service support mechanisms under Section 254(c) using either its own facilities or a combination of its own facilities and the resale of services of another

carrier. Section 214(e) further requires the carrier to advertise the availability and charges for such services using media of general distribution.

WC hereby commits and certifies that it will offer, either directly or through a resale relationship, voice and broadband services to those areas within the Census Block Groups. WC will further ensure that both the availability and costs for such services will be advertised using appropriate media. WC further commits that it will use federal universal service support only for the provision, maintenance, and upgrading of facilities and services for which the universal service support is intended. *See* 47 U.S.C. § 254(e) and 47 C.F.R. § 54.7(a).

3. WC Will Offer the Services Supported by the Federal Universal Service Support Mechanisms (47 C.F.R. § 54.101)

WC will offer the following voice telephony and broadband services that are supported by federal universal service support mechanisms:¹⁴

- a. Voice Grade Access to the PSTN. WC will meet this requirement through the provision of fiber-based voice service that is interconnected to the PSTN, which will be offered as a standalone telephony service throughout its territories listed in **Exhibit A**.¹⁵ The service will include minutes of use for local service provided at no additional charge to end users (specifically, WC's service plans will offer unlimited usage within the United States); and access to emergency services via 911 and E-911, where implemented by local government or other public safety organizations. WC will also provide toll limitation services to qualifying low-income consumers or may charge the same prices for toll and non-toll calls in accordance with the FCC's rules.¹⁶
- b. Broadband Internet Access Services. WC will offer fiber-based broadband Internet access service that provides the capability to transmit data to and receive data by wire or radio from all or substantially all Internet endpoints, including any capabilities that are incidental to and enable the operation of the communications service.¹⁷ End user connections will be routed to a local or regional exchange, where WC will interconnect through an Internet exchange point that carries traffic to all or substantially all Internet end points.

¹⁴ 47 C.F.R. § 54.101.

¹⁵ *See id.* § 54.101(b).

¹⁶ *See id.* § 54.101(a)(1).

¹⁷ *See id.* § 54.101(a)(2).

WC commits to provide these services consistent with applicable universal service support rules and will meet the service requirements for RDOF Phase I support.¹⁸ WC will offer at least one standalone voice plan and one service plan that provides high speed broadband. These plans will be offered at rates that are reasonably comparable to rates offered in urban areas.¹⁹ WC will be responsible for providing customer care, providing quality of service guarantees, and meeting the FCC's universal service fund-related requirements.²⁰

WC also will make available Lifeline services to qualifying low-income consumers pursuant to the FCC's rules at all locations in Pennsylvania where it is authorized to receive RDOF support.²¹

4. WC Will Provide Service Using Its Own Facilities or a Combination of its Own Facilities and Resale of Another Carrier's Services (47 U.S.C. § 214(e)(1)(A), 47 C.F.R. § 54.201(d)(1))

WC will primarily offer supported services using its own facilities and may use a combination of its own facilities and resale of another carrier's services depending on the deployment scenario.²² WC will have the exclusive right to use the broadband facilities it deploys to offer the supported services.

¹⁸ See *id.* § 54.101(c).

¹⁹ See *Rural Digital Opportunity Fund Order*, 35 FCC Rcd at 707-08, paras. 42-43.

²⁰ See *WCB Reminds Connect America Fund Phase II Auction Applicants of the Process for Obtaining a Federal Designation as an Eligible Telecommunications Carrier*, Public Notice, WC Docket No. 09-197 et al., 33 FCC Rcd 6696, 6698 (WCB 2018) (“*ETC Designation Public Notice*”); see also *RDOF Auction Procedures PN* at 6129, para. 139.

²¹ 47 C.F.R. §§ 54.101(d) and 54.405(a); see also *RDOF Auction Procedures PN*, 35 FCC Rcd at 6128 (stating, “[e]ach Auction 904 support recipient must offer Lifeline voice and broadband service throughout the eligible areas covered by its winning bids to qualifying low-income consumers pursuant to the Lifeline program rules.”).

²² See 47 U.S.C. § 214(e)(1)(A); 47 C.F.R. § 54.101; see also *ETC Designation Public Notice*, 33 FCC Rcd at 6698 (“Facilities are the ETC's ‘own’ if the ETC has exclusive right to use the facilities to provide the supported services or when service is provided by any affiliate within the holding company structure.”).

5. WC Will Provide Service Throughout Its Designated Service Area (47 U.S.C. § 214(e)(1); 47 C.F.R. § 54.201(d))

WC commits to providing the supported services throughout the Census Block Groups identified in **Exhibit A**, consistent with all applicable requirements.²³

6. WC Will Advertise the Availability of Its Services and Charges Using Media of General Distribution (47 U.S.C. § 214(e)(1)(B); 47 C.F.R. § 54.201(d)(2))

WC will advertise the availability of and charges for its supported service offerings using media of general distribution, and will undertake outreach initiatives to increase consumer awareness of its service offerings, consistent with all applicable requirements.²⁴ WC will offer and advertise its voice and broadband services through various marketing channels, including but not limited to direct mail, email, local and community outreach events, and targeted online electronic advertising. In addition, WC will publicize the availability of Lifeline service in a manner reasonably designed to reach those likely to qualify for the service.

7. WC Meets the Additional Requirements for Designation as an ETC (47 C.F.R. § 54.202)

The FCC's March 17, 2005, *ETC Criteria Order* sets forth certain additional elements for ETC applications.²⁵ The applicable FCC criteria, promulgated at 47 C.F.R. § 54.202(a), require that an ETC applicant must²⁶:

- Certify it will comply with the service requirements applicable to the support that it receives;
- Submit a five-year plan that describes with specificity proposed improvements or upgrades to the applicant's network throughout its proposed service area;
- Demonstrate the ability to remain functional in emergency situations; and
- Demonstrate that it will satisfy applicable consumer protection and service quality standards.

²³ 47 U.S.C. § 214(e)(1); 47 C.F.R. § 54.201(d).

²⁴ See 47 U.S.C. § 214(e)(1)(B); 47 C.F.R. § 54.201(d).

²⁵ See *Federal-State Board on Universal Service*, CC Docket 96-45, Report and Order, 20 FCC Rcd 6371 (March 17, 2005) ("*ETC Criteria Order*").

²⁶ See 47 C.F.R. § 54.202(a)(1)-(3).

a. WC Will Comply with Service Requirements Applicable to the Support it Receives

Pursuant to 47 C.F.R. § 54.202(a)(1)(i), WC hereby certifies that it will comply with the service requirements applicable to the supported services that it will be offering in the Census Block Groups. Upon request, WC will provide timely service to all customers within the Census Block Groups where WC's network will provide coverage. If a potential customer is within WC's licensed area but outside of its existing network coverage, WC will work to provide service at a reasonable cost. WC further certifies that it will comply with any applicable requirements for service specific to the RDOF Auction.

b. Five-Year Plan Requirement Has Been Waived

Normally, the FCC requires that an ETC applicant submit a five-year plan describing proposed improvements or upgrades to the applicant's network throughout its proposed service area. In this case, the FCC has waived the requirement that RDOF Auction winning bidders submit a five-year service improvement plan.²⁷ Accordingly, WC need not specifically demonstrate the existence of a five-year plan, as the underlying objective of furthering service access and public interest will be verified and assured through mechanisms specific to the Census Block Groups and the RDOF Auction.

c. WC Will Remain Functional During Emergencies

WC certifies that it is able to function in emergency situations as required under 47 C.F.R. § 54.202(a)(2). WC's voice and broadband network is designed to remain functional in emergency

²⁷ For recipients of Connect America Fund ("CAF") Phase II support, the FCC waived the requirement that winning bidders seeking an FCC ETC designation file a five-year improvement plan and demonstrate that it will satisfy applicable consumer protection and service quality standards. *See Connect America Fund*, et al., WC Docket No. 1090 et al., Report and Order and Further Notice of Proposed Rulemaking, 31 FCC Rcd 5949 (2016) (*CAF Phase II Auction Order*) at ¶¶ 157-68. Similarly, for purposes of the RDOF, the FCC incorporated by reference the analysis of forbearance factors that it considered and found warranted in CAF Phase II. *See RDOF Auction Order* at ¶ 95 & n. 271 and internal citations. *See also Auction 904 Procedures Order* at ¶ 136 & n. 308.

situations without an external power source, will remain functional using backup power, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required. *See* 47 C.F.R. § 54.202(a)(2). WC further monitors its networks with sophisticated equipment capable of detecting disruptions caused by emergency situations that allow WC to respond quickly.

d. WC Will Meet Consumer Protection and Service Quality Standards

The FCC provides that an ETC applicant must “demonstrate that it will satisfy applicable consumer protection and service quality standards.” 47 C.F.R. § 54.202(a)(3). The FCC, however, waived the requirement that bidders seeking ETC designation certify that they will satisfy consumer protection and service quality standards.²⁸ To the extent necessary, WC requests a waiver of state requirements based on these waived FCC requirements.

8. The Commission’s ETC Regulation

The Commission’s regulation applicable for ETC designation and annual certification, 52 Pa. Code § 69.2501, in part provides:

(b) Petitions for designation as an ETC seeking low income support from Lifeline and Link-up America programs should satisfy the minimum standards established in 66 Pa.C.S. § 3019(f) (relating to lifeline service) and comply with the Commission’s Lifeline and Link-Up Order, In Re: Lifeline and Link-Up Programs, Docket No. M-00051871, Final Order May 23, 2005, except that verifications should be submitted annually to Universal Service Administrative Company (USAC) on or before August 31 of each year. Petitions should affirm that the applying carrier will submit annual Lifeline Tracking Reports by June 30 of each year. The form is available on the Commission’s website at www.puc.state.pa.us, Online Forms, Telecommunications.

9. WC will comply with 66 Pa.C.S. § 3019(f)

WC confirms that it will comply with the standards established in 66 Pa.C.S. § 3019(f),

²⁸ *See supra*, n. 20.

please see **Exhibit C**. WC also affirms that it will submit annual Lifeline Tracking Reports by June 30 of each year. In sum, WC, and its affiliates with familiarity with the Lifeline programs, shall comply with applicable requirements associated with Lifeline and Link-Up programs relative to the Census Block Groups.

V. Public Interest

WC's designation as an ETC for the Census Block Groups will allow it to build out services to unserved areas using federal funding, bringing the benefits of added voice and high-speed broadband services to these areas. Accordingly, it is in the public interest to designate WC as an ETC in the Census Block Groups. Once the Commission grants WC's ETC petition and the FCC approves WC for funding, WC will receive \$6,407,229 over a ten-year period to provide voice and broadband services to those residing and working in the Census Block Groups.

The availability of WC's RDOF supported voice and broadband services will have a positive effect on unserved areas in the Census Block Groups. WC is committed to expanding access to these services that will enable consumers to access new opportunities of all kinds, including education, healthcare, business, civic engagement, and personal connection. New opportunities may include starting a business, taking online classes, or seeing friends and family, among many other possibilities. Expanded voice and broadband service will increase these opportunities for the people of Pennsylvania being served by WC in its respective RDOF Census Block Groups.

Moreover, Pennsylvania consumers will particularly benefit from WC's designation as an ETC. WC is widely recognized as a premier provider of voice and broadband Internet offerings that relies on advanced systems, technologies, and infrastructure. WC provides voice and broadband Internet services to hundreds of thousands of residential customers in 18 states.

In addition, consumers will further benefit from WC's experience as a Lifeline service provider. WC and its affiliates have substantial experience in providing Lifeline services to low income consumers and communities. This will further facilitate WC's swift offering of needed services for qualifying low-income customers in the Census Block Groups.

VI. Conclusion and Request for Expedited Review

WC meets the requirements of both state and federal laws and regulations for designation as an ETC in the Census Block Groups listed in **Exhibit A**. Pursuant to 47 U.S.C. § 214(e), the Commission should designate WC as an ETC for the requested areas. By taking this action, the Commission will ensure that unserved consumers in the requested areas will have access to reliable voice and broadband service at rates equal to or less than what they are currently paying. Granting WC's request for ETC designation will benefit the public interest and increase competition.

WHEREFORE, for the reasons stated herein, WC respectfully requests that the Commission designate Windstream Communications, Inc. as an ETC in the Census Block Groups listed in **Exhibit A** by no later than June 7, 2021 and order such other relief as may be appropriate.

Dated this 22nd day of April, 2021.

EXHIBIT C

Pennsylvania ETC Standards & Annual Certification

The Commission's standards applicable for ETC designation and annual certification, 52 Pa. Code § 69.2501, in part, provides:

(b) Petitions for designation as an ETC seeking low income support from Lifeline and Link-up America programs should satisfy the minimum standards established in 66 Pa.C.S. § 3019(f) (relating to lifeline service) and comply with the Commission's Lifeline and Link-Up Order, In Re: Lifeline and Link-Up Programs, Docket No. M- 00051871, Final Order May 23, 2005, except that verifications should be submitted annually to Universal Service Administrative Company (USAC) on or before August 31 of each year. Petitions should affirm that the applying carrier will submit annual Lifeline Tracking Reports by June 30 of each year. The form is available on the Commission's web site at www.puc.state.pa.us, Online Forms, Telecommunications.

As to 66 Pa.C.S. Section 3019(f), Petitioner avers and provides:

- 1. All eligible telecommunications carriers certificated to provide local exchange telecommunications service shall provide Lifeline service to all eligible telecommunications customers who subscribe to such service.**

WC will provide Lifeline service to all qualifying customers who reside in the Census Block Groups listed in Exhibit A and who wish to subscribe to its Lifeline service in Pennsylvania.

- 2. All eligible telecommunications customers who subscribe to Lifeline service shall be permitted to subscribe to any number of other eligible telecommunications carrier telecommunications services at the tariffed rates for such services.**

WC will permit qualifying Lifeline subscribers residing in the Census Block Groups to subscribe to other, available non-Lifeline services offered by WC in the Census Block Groups at the standard rates or prices for such services in Pennsylvania.

- 3. Whenever a prospective customer seeks to subscribe to local exchange telecommunications service from an eligible telecommunications carrier, the carrier shall explicitly advise the customer of the availability of Lifeline service and shall make reasonable efforts where appropriate to determine whether the customer qualifies for such service and, if so, whether the customer wishes to subscribe to the service.**

WC will advise prospective customers of the availability of Lifeline service within the Census Block Groups, as identified in Exhibit A, and will establish protocols for determining whether such customers residing in these Census Block Groups qualify for and wish to receive Lifeline service.

- 4. Eligible telecommunications carriers shall inform existing customers of the availability of Lifeline services twice annually by bill insert or message. The notice shall be conspicuous and shall provide appropriate eligibility, benefits and contact information for customers who wish to learn of the Lifeline service subscription requirements.**

WC will inform existing customers who reside in the Census Block Groups of the availability of Lifeline services at least twice annually by bill insert or other message. WC's notification to those customers will be conspicuous and provide eligibility, benefit, and contact information for customers who wish to learn of the Lifeline service subscription requirements.

- 5. When a person enrolls in a low-income program administered by the Department of Public Welfare that qualifies the person for Lifeline service, the Department of Public Welfare shall automatically notify that person at the time of enrollment of his or her eligibility for Lifeline service. This notification also shall provide information about Lifeline service, including a telephone number of and Lifeline subscription form for the person's current eligible telecommunications carrier or, if the person does not have telephone service, telephone numbers of eligible telecommunications carriers serving the person's area that the person can call to obtain Lifeline service. Eligible telecommunications carriers shall provide the Department of Public Welfare with Lifeline service descriptions and subscription forms, contact telephone numbers and a listing of the geographic area or areas they serve, for use by the Department of Public Welfare in providing the notifications required by this paragraph.**

WC, will provide to the Pennsylvania department of public welfare its Lifeline service descriptions, subscription forms, contact telephone numbers, and a listing of Census Block Groups served by WC.

- 6. No eligible telecommunications carrier shall be required to provide after the effective date of this section any new Lifeline service discount that is not fully subsidized by the federal universal service fund.**

WC acknowledges that it shall not be required to provide any Lifeline service discount that is not fully subsidized by the federal universal service fund.

EXHIBIT D

VERIFICATION

I, Jeff Small, state that I am President – Kinetic Division of Windstream Services, LLC and Windstream Communications, Inc.; that I am authorized to make this Verification on behalf of the companies; that the foregoing filing was prepared under my direction and supervision; and that the contents are true and correct to the best of my knowledge, information, and belief. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

Jeff Small
President – Kinetic Division

Dated: April 21, 2021
