Dear Mr. O'Brien:

We understand that Excelsior Gas and Electric LLC has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because Excelsior Gas and Electric LLC intends to only provide natural gas aggregating, brokering, and consulting services at this time, we have determined that Excelsior Gas and Electric LLC will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided change in the future, we reserve the right to require security from Excelsior Gas and Electric LLC as deemed appropriate.

If you have any questions, please contact Jamie Levering at 570-888-9664 (Ext. 5232).

Dear Christopher O'Brien:

We are pleased that Excelsior Gas and Electric LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Excelsior Gas and Electric LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Excelsior Gas and Electric LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Excelsior Gas and Electric LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Excelsior Gas and Electric LLC changes in the future, Columbia Gas might deem it appropriate to require Excelsior Gas and Electric LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

**Application to Serve as a Natural Gas Broker**

Dear Mr. O'Brien,

Based on your assertion that Excelsior Gas and Electric, LLC ("Excelsior") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.- Gas Division ("UGIU") has concluded that Excelsior will not need to post security with UGIU. This is based on the declaration that Excelsior will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Excelsior wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,

RE: Security Requirement Bond for Excelsior Gas and Electric LLC

Dear Mr. Christopher O'Brien,

Philadelphia Gas Works ("PGW") is aware that Excelsior Gas and Electric LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Excelsior Gas and Electric LLC must furnish acceptable security to each utility where Excelsior Gas and Electric LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Excelsior Gas and Electric LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Excelsior Gas and Electric LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services Excelsior Gas and Electric LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Excelsior Gas and Electric LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Excelsior Gas and Electric LLC should change, Philadelphia Gas Works reserves the right to require security from Excelsior Gas and Electric LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,

Dear Mr. O'Brien:

We are pleased that Excelsior Gas and Electric Inc has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, and Peoples Gas Company LLC (formerly Peoples TWP) ("the Companies").

Since Excelsior Gas and Electric Inc is not currently serving customers on the Peoples systems, we have determined at this time that Excelsior Gas and Electric Inc does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to Excelsior Gas and Electric Inc provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6931 or by email at [Carol.Scanlon@peoples-gas.com](mailto:Carol.Scanlon@peoples-gas.com).

Re: Broker Requirements

Dear Excelsior Gas and Electric LLC:

PECO is aware that Excelsior Gas and Electric LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Excelsior Gas and Electric LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Excelsior Gas and Electric LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Excelsior Gas and Electric LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Excelsior Gas and Electric LLC the creditworthiness requirement for PECO's exposure to Excelsior Gas and Electric LLC changes in the future, PECO reserves the right to require Excelsior Gas and Electric LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,

**Experience:**

Excelsior Gas and Electric LLC is a brand new company and therefore has no experience providing power broker services to date. However, co-owner and COO Christopher O'Brien has been in the Retail Energy Industry for approximately 7 years. He worked as a pricing analyst for an electricity and natural gas brokerage (EMEX) for about 3 years and spent another 4+ years working as a pricing/supply analyst for an electricity supplier (Entrust Energy). He has worked with customers of all types and sizes from residential to governmental and from under 10 MWh to over 30,000 MWh in annual usage. He has worked in ERCOT, PJM, NYISO and MISO. He is very familiar with the products being offered by suppliers in these markets and how they are priced so that he can assist clients in finding the best offering for their needs. He also has experience reading utility tariffs, calculating a customer's price-to-compare, and reading supplier contracts.

**Staffing:**

Excelsior Gas and Electric LLC is co-owned by Alexis Annechino and Christopher O'Brien. We do not currently have any other employees and we do not currently have any plans to hire any new employees. We are committed to staying up to date on PA laws and regulations pertaining to our business and if we ever do hire additional employees, we will make sure that they are fully trained on these rules before they have any customer contact.

Our customers will hold their contracts directly with already registered and recognized energy suppliers. We will review these suppliers' business practices before we recommend them to any of our customers. Additionally, we will walk our customers through their contract before they sign and answer any questions they may have. We are committed to treating our customers properly. We take any customer concerns very seriously. Any customer complaint will be addressed by a company officer with the utmost urgency. We will involve our supplier representative immediately if they are needed to address the inquiry/complaint.

**Business Operations:**

Due to the COVID-19 pandemic we will begin by contacting customers strictly virtually via phone, email and video conferencing. When it is safe to do so we will add in-person. We will generate leads in a variety of ways which may include personal/business connections and networking, partnering with business organizations, cold-calling, and purchasing lead-lists. We will be focusing mostly on small and medium sized commercial customers but will also consult for large commercial and residential customers.
