

Good afternoon,

My name is Warren Jordan, owner of Jordan's Contracting LLC. I am writing in regards to my PUC application filed February 18, 2021. As noted, I was given the two week extension to file for my insurance. The truck is in the shop and should be ready by this week for purchase. Not wanting to cut it too close, I am requesting the extension to be until May 7, 2021. That will give me enough time to have everything in place with purchase and insurance. Thank you. Doc number is A-2021-3024140.
