**COMPLAINT OF THE
SMALL BUSINESS ADVOCATE**

1. The Complainant is:

John R. Evans
Small Business Advocate
555 Walnut Street
Forum Place, 1st Floor
Harrisburg, PA 17101
(717) 783-2525

2. The name and address of the attorney for the Office of Small Business Advocate ("OSBA") is:

Erin K. Fure
Assistant Small Business Advocate
Office of Small Business Advocate
555 Walnut Street
Forum Place, 1st Floor
Harrisburg, PA 17101
(717) 783-2525

3. The respondent utility is:

The Pittsburgh Water and Sewer Authority
1200 Penn Avenue
Pittsburgh, PA 15222

4. The Complainant is authorized and directed by the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50, to represent the interests of small business consumers of utility services in matters before the Pennsylvania Public Utility Commission (“Commission”).

5. This Complaint is filed against the rates, terms, and other provisions of the Initial Tariff Filings and Rate Requests which were filed with the Commission on April 13, 2021, by the Pittsburgh Water and Sewer Authority (“PWSA” or the “Authority”). The rates set forth in the filings, if approved by the Commission, would increase PWSA’s annual water, wastewater, and stormwater revenues in the amount of \$32.2 million.

6. After preliminary review of the materials filed by the Authority in support of the proposed Tariffs, Complainant believes, and therefore avers, that those materials may be insufficient to justify the rate increase requested and that the Authority’s present and proposed rates, rules, and conditions of service may be unjust, unreasonable, unduly discriminatory, and otherwise contrary to law, particularly as they pertain to small business customers.

7. Complainant believes, and therefore avers, that PWSA’s proposed tariff changes and proposed rates, rate design, and revenue allocation are or may be unjust, unreasonable, and unlawfully discriminatory in violation of, *inter alia*, Sections 1301 and 1304 of the Public Utility Code, 66 Pa.C.S. §§1301 and 1304, and contrary to appropriate public policy and sound ratemaking considerations, and may not be supported by the materials filed by PWSA.

8. In view of the foregoing, the Small Business Advocate respectfully requests that the Pennsylvania Public Utility Commission:

- A. Suspend and investigate the operation of Initial Tariff Filings and Rate Requests;

- B. At the conclusion of such investigation, reject the proposed new rates and other tariff changes in Initial Tariff Filings and Rate Requests to the extent required to make certain that PWSA's rates are lawful, just, reasonable, and not unduly discriminatory to small business customers; and
- C. Grant such other relief as may be necessary or appropriate.

Respectfully submitted,

/s/ Erin K. Fure

**PUBLIC STATEMENT OF
THE OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 ("Act"). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by his initiation of or intervention in any proceeding involving those interests before the Public Utility Commission ("Commission") or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a complaint against the proposed base rate tariff filings of the Pittsburgh Water and Sewer Authority ("PWSA" or the "Authority"), which would increase PWSA's water, wastewater, and stormwater annual revenues in the amount of approximately \$32.2 million.

The Small Business Advocate files this formal complaint against the Authority's proposed base rate tariff filings in order to protect the interests of the Authority's small business customers. A thorough inquiry by the Commission into all of the elements of the Authority's proposed base rate tariff filings is necessary to ensure that the tariff filings are lawful, just, reasonable, and not discriminatory to PWSA's small business customers.

In view of the foregoing, the Small Business Advocate will participate in proceedings before the Public Utility Commission to investigate the reasonableness of the proposed base rate tariff filings. The Small Business Advocate will ask the Commission to deny any proposed new rates and other tariff changes that apply to small business customers that are not proven by PWSA's to be lawful, just, reasonable, and not discriminatory to the Authority's small business customers.
