Re: File No. C-2020-3019763  
Lawrence Kingsley v. PPL Electric Utilities

Your Honor:

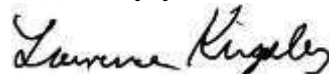

For the May 6, 2021 hearing, I am submitting the attached exhibit in support of evidence, shown by my Complaint and Oct. 5, 2020 Memorandum, that PPL has a poor environmental record and low community reputation in Pennsylvania.

I have no doubt that PPL is very cordial to PUC, but townships sued by PPL; agencies like DEP, PA Treasury, National Park Service, Amtrak; and PPL's own customers often have a different opinion of PPL, which helps to show why this Boston based company needs to be reined in.

I have served this exhibit on PPL counsel, Kimberly G. Krupka, Esq., via email, our usual form of communication.

Thank you for your attention and courtesy.

Sincerely yours,

  
Lawrence Kingsley
