Dear Secretary Chiavetta:

The purpose of this letter is to request the expansion of the license of SouthStar Energy Services LLC d/b/a Pennsylvania Energy ("Pennsylvania Energy") to include the service territories of PECO Energy Company, The Philadelphia Gas Works and National Fuel Gas Distribution Company. On October 17, 2018, SouthStar Energy Services LLC d/b/a Pennsylvania Energy ("Pennsylvania Energy") filed an Application with the Pennsylvania Public Utility Commission ("Commission") seeking authority to act as a natural gas supplier ("NGS") in the Pennsylvania service territories of Columbia Gas of Pennsylvania, Peoples Natural Gas Company, LLC, Peoples Natural Gas Company, LLC – Equitable Division and Peoples Gas Company, LLC. By Order dated February 7, 2019, the Commission granted the requested authority.¹ On March 10, 2020, Pennsylvania Energy filed an application to expand its license to include the service territories of the then newly consolidated UGI affiliates. By Secretarial Letter issued April 1, 2020, that request was granted. One change has occurred to the organizational information included in the initial License application, Shannon O. Pierce has been appointed to the position of Vice President for Growth and Chief of External Affairs.

The Commission's Regulations require that notice of this application be published in required newspapers. The proofs of publication for the newspapers listed by the Commission for the NGDC service territories herein requested, are attached as **Attachment B**.

Also attached is a check for \$350.00 for the filing fee and letters from National Fuel Gas Distribution, PECO Energy and the Philadelphia Gas Works, indicating that Pennsylvania Energy has satisfied their respective financial security requirements. (See, **Attachment C**)

Based upon the foregoing, Pennsylvania Energy respectfully requests that its natural gas supplier license be amended to include the service territories of PECO Energy, The Philadelphia Gas Works and National Fuel Gas Distribution.

Respectfully submitted,

Dear Ms. McFadin

Energy Acquisition is providing this notification letter that SouthStar Energy Services LLC has met the creditworthiness business requirement involved with the Pennsylvania Gas Choice - Low Volume Transportation program. The Surety amount that would be requested for participation as a Supplier would be \$35,000 and may be submitted to PECO via three acceptable forms; a Cash Deposit, a Letter of Credit, or a Surety bond. PECO will hold any surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.

If you should have any questions regarding this matter, please contact us by visiting our website <https://electricandgaschoice.force.com/s/>.

Sincerely,

Carol Reilly

RE: SouthStar Energy Services, LLC

Dear Michael,

Pursuant to 66 Pa. C. S. § 2208 (c), an applicant for a natural gas supplier license in the Commonwealth of Pennsylvania must furnish security to each utility where the supplier will do business to ensure the financial responsibility of such natural gas supplier. To this end, National Fuel Gas Distribution Corporation ("National Fuel") will perform a credit review and analysis of SouthStar Energy Services, LLC ("SES") and determine at the appropriate time whether SES must post a security deposit acceptable to National Fuel in order to operate as a supplier on National Fuel's system.

SES's security requirement to serve Pennsylvania customers is dependent on the type of transportation service utilized by SES. There is no Natural Gas Supplier (NGS) security requirement for customers that will be enrolled in National Fuel's Purchase of Receivable (POR) program. As such, SES will not be required to post security for customers enrolled in the POR program. A security deposit will be required for transportation customers not enrolled in the POR program.

Should you have any questions concerning the above, please contact me at 716-857-7541.

Yours truly,

Nicole Barker

Dear Ms. McFadin

Re: Security Requirement for SouthStar Energy Services LLC D/B/A Pennsylvania Energy Philadelphia Gas Works ("PGW") is aware that SouthStar Energy Services LLC D/B/A Pennsylvania Energy has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of Philadelphia Gas Works. You have stated that, in performing these services, SouthStar Energy Services LLC D/B/A Pennsylvania Energy will take title to any delivered natural gas.

Under its tariff, Philadelphia Gas Works could require SouthStar Energy Services LLC D/B/A Pennsylvania Energy to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate. Upon final approval of your application to PGW and prior to enrolling customers, security in the first year for firm pools will be required based on your estimated firm pool size. It will be updated annually based on actual firm pool size.

At this time, SouthStar Energy Services LLC D/B/A Pennsylvania Energy does not need to post a bond or other form of security.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,
