TAKE NOTICE: That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa.C.S. §702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE, You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the Secretary of the Pennsylvania Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17120, an answer (original and two copies), in writing, under oath, which, as required by Section 35.35 of the General Rules of Administrative Practice and Procedure, 1 Pa. Code §35.35, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant.

2. If you fail to either satisfy this complaint or to file an answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 35.35 of the General Rules of Administrative Practice and Procedure, 1 Pa. Code §35.35. In that event, an Administrative Law Judge of the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy

authorized by the Public Utility Code, 66 Pa.C.S. §101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Administrative Law Judge is not limited to the relief sought by the complainant in paragraph 4. of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint will be dismissed by an Administrative Law Judge in accordance with Section 703(a) of the Public Utility Code, 66 Pa.C.S. §703(a), unless the Judge determines that such dismissal would be contrary to the public interest, in which event he may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, an Administrative Law Judge will, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa.C.S. §101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Administrative Law Judge is not limited to the relief sought by the complainant in paragraph 4. of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in this complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa.C.S. §101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. In the imposition of a penalty after hearing the Administrative Law Judge is not bound by the relief sought by the complainant in paragraph 4. of the attached complaint.
