v.

Philadelphia Electric Company

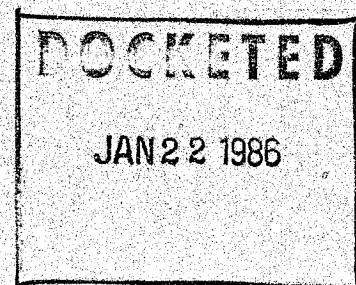

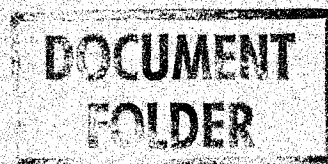

DISCUSSION

By letter dated December 26, 1985 directed to us, counsel for 15 Philadelphia area colleges and universities, which filed a joint complaint at R-850152C011, inter alia advises that Thomas Jefferson University has decided to join in said joint complaint and inquires whether "anything other than this letter is required to add this school [sic] to our Complaint."

The letter does not indicate whether a copy thereof was served upon the Secretary of the Commission, upon Philadelphia Electric Company, or any of the other active parties.

In this connection, counsel is informed that we will not provide advisory opinions as to the proper procedures to follow in this litigation. It is the responsibility of counsel to comply with the Commission's Rule of Practice.

The attempt to add Thomas Jefferson University as an additional complainant in the joint complaint at R-850152C011 by means of an informal

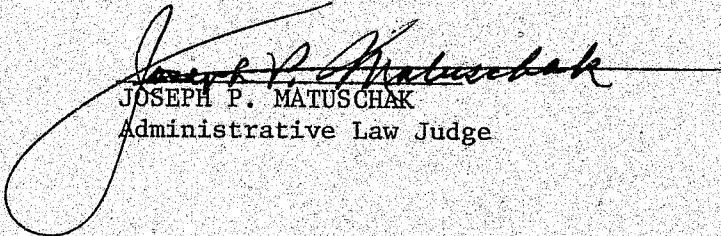

letter directed to us must be rejected.

ORDER

IT IS ORDERED:

That the letter-motion dated December 26, 1985 to add Thomas Jefferson University as an additional complainant at Docket No. 850152C011 is denied without prejudice for improper procedure under the Commission's Rules of Practice.
