Docket No. C-2021-3025784

Defense: We did a new renewal of the insurance in march and was unaware that Progressive insurance company did not file the schedule E. I was told the agent should have asked us if we needed the schedule E filed, but they did not. I have requested the Progressive Company send the Filing on this date of 05/19/2021 and they assured me they would send electronically to the compliance office. I am requesting a return email of your receipt of this letter and have included my email for you.

Thank you, Tom Dunlap
