RE: Electric Generation Supplier License Application

Dear Mr. Errigo:

On August 26, 2020, the Public Utility Commission (Commission) accepted GREENCROWN Energy, LLC's (GREENCROWN) application for an Electric Generation Supplier license. By Commission Order entered on November 19, 2020, GREENCROWN's application was denied. On November 26, 2020, GREENCROWN filed a Petition for Reconsideration, Rescission and Reinstatement. On December 17, 2020, the Petition for Reconsideration, Rescission and Reinstatement was granted, pending further review of, and consideration on, the merits. On May 6, 2021, the Commission issued an Opinion and Order, granting the Petition for Reconsideration, Rescission and Reinstatement, filed by GREENCROWN and referring the application to the Bureau of Technical Utility Services for further action as deemed necessary. The application of GREENCROWN, as submitted on August 26, 2020, was incomplete. In order for us to complete our analysis of your application, the Energy Industry Group requires answers to the attached questions.

Please be advised that you are directed to forward the requested information to the Commission within **30** days from the date of this letter. Failure to respond may result in the application being denied. As well, if GREENCROWN has decided to withdraw its application, please reply notifying the Commission of such a decision.

Please forward the information to the Secretary of the Commission at the address listed below. When submitting documents, all documents requiring notary stamps must have original signatures. Please note that some responses may be e-filed to your case, <http://www.puc.pa.gov/efiling/default.aspx>.
