Enclosures

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

BILLIE JO AND JOSEPH LEISSE :
v. : Docket No. C-2021-3026084
METROPOLITAN EDISON COMPANY :

REPLY TO NEW MATTER

Billie Jo & Joseph Leisse (Complainants), by and through their attorney, Allerton, Bell & Muir, P.C., pursuant to 52 Pa Code § 5.63, hereby submit their Reply to New Matter.

11. Admitted.

12. Admitted.

13. This is an improper averment to which no response is required.

14. Denied. The averment is conjecture to which no response is required. To the extent a response is required, although it is possible the mediation process will save time and resources of the Commission and parties, it is not a given in light of Complainants' view that Respondent (Met-Ed) has thus far wasted Complainants' time and money due to Met-Ed's negligent repairs and unwillingness to settle this matter prior to the filing of the formal Complaint.

Respectfully submitted,

ALLERTON, BELL & MUIR, P.C.
