Subject: Decision, re: Request for Continuance - Perrong v. Alpha Gas & Electric LLC, Docket No. C-2021-3024359

Importance: High

Good afternoon, Mr. Perrong and Ms. Moury,

I have reviewed Mr. Perrong's emergency hearing continuance request and Alpha's answer to the request. In the interest of time, I am responding to Mr. Perrong's request for an emergency continuance via email and not with an order.

I would like to move forward with the hearing on Thursday. There have been a number of filings to date, and a lot of time has passed. Discovery has been exchanged, and I thank you both for your cooperation with discovery. I would like to hold the hearing this week. We can certainly discuss any remaining issues with the audio file at the hearing and determine if anything further is needed at that time.

Please be prepared to move forward with the hearing on Thursday, June 24 at 10:00 a.m., and please use the call-in information listed on the hearing notice and my prehearing order.

Lastly, as my prehearing order directed, if you have not yet done so, I encourage the parties to discuss the potential settlement of this matter prior to the hearing. Even if you are not able to resolve the entire case, certain issues may be resolved prior to the hearing. I would like to know at the hearing on Thursday what discussions have taken place and the outcome of those discussions.

Thank you,
Judge Collins
