Independent Auditors' Report

To the Members of the Board
City of York Sewer Authority
York, Pennsylvania

We have audited the accompanying financial statements of the City of York Sewer Authority (a component unit of the City of York, Pennsylvania), which comprise the statements of net position as of December 31, 2018 and 2017, and the related statements of revenues, expenses and changes in net position and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

The City of York Sewer Authority's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Members of the Board
City of York Sewer Authority
York, Pennsylvania

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the City of York Sewer Authority as of December 31, 2018 and 2017, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Emphasis of Matter

As discussed in Note 7 to the financial statements, subsequent to year end, a global pandemic due to the spread of the COVID-19 coronavirus caused the United States government to declare a national emergency. The pandemic has resulted in economic uncertainties which have the potential to have a significant impact on all Authority operations. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

1. Summary of Significant Accounting Policies

Purpose

The City of York Sewer Authority (Authority) was incorporated November 27, 1950, under the provisions of the Municipality Authorities Act of 1945, as amended (Act), for all the purposes authorized by the Act and shall have and exercise all powers granted to such Authorities under the Act. Through December 31, 2018, its operations have been primarily to acquire, construct, improve, and lease sewer systems and sewage treatment works.

Reporting Entity

The Authority is a component unit of the City of York (City) reporting entity. Criteria considered in making this determination include appointment of the Authority's Board, financial interdependence, and the Authority's potential to provide specific financial benefits to, or impose specific financial burdens on, the City.

The Authority's financial statements are blended with the City's sewer fund and accounted for within the sewer fund, an Enterprise Fund in the City's basic financial statements.

Basis of Accounting and Presentation

The accounting records of the Authority are maintained on the accrual basis and its operations are accounted for as an enterprise fund. Enterprise funds are used to account for activities similar to those found in the private sector where the determination of net income is necessary for sound financial administration. Costs of construction, debt reduction, and Authority administration are financed or recovered through lease rentals received from the City and income on investments held by the Authority.

Enterprise funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenue of the Authority is lease rental income. Operating expenses include the interest expense of the debt and administrative

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

expenses. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The accounting and financial reporting treatment applied to the Authority is determined by its measurement focus. The transactions of the Authority are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operations are included on the statements of net position. Net position (i.e., total assets net of total liabilities) is segregated into “restricted for debt service and construction” and “unrestricted” components.

Cash and Cash Equivalents

For the purpose of the statements of cash flows, the Authority considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

Investments

In accordance with the terms of the trust indentures securing the bonded debt, monies of the Authority are accounted for in various funds, segregated for specific use and for the security of the bondholders and, except for the operating account which is directly maintained by the Authority, are maintained by an independent trustee.

Investments are recorded at fair value. The Authority categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets. Level 2 inputs are significant other observable inputs. Level 3 inputs are significant unobservable inputs.

Restricted Assets

Certain proceeds of revenue bonds, as well as certain resources set aside for their repayment, are classified as restricted assets on the statements of net position because their use is limited by applicable trust indentures or other agreements.

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

Funds Held on Behalf of the City

In accordance with the Lease, as referred to in Note 4, the City shall receive credits against minimum annual rentals for (1) net income of the Authority from its real property rentals, not part of the Sewer System, (2) excess funds from the debt service reserve funds, and (3) income from debt service funds, clearing funds, and sinking funds. The balance of unapplied credits as well as the balance of the debt service reserve fund comprise the liability due to the City as of December 31, 2018 and 2017.

Due to Other Governments

In accordance with the Escrow and Payment Agreement between the City, the Authority and Manchester Township (Township), the entities will split the cost of the Township Interceptor Project with the Township and the City being responsible for 97.9% and 2.1% of the costs, respectively. As of December 31, 2018, the Township and City have paid the respective portions of the expected costs to the Authority and the remaining unspent proceeds of \$2,159,930 is shown as due to other governments in the statement of net position.

Net Position

Net position comprises the various net earnings from operating and non-operating revenues and expenses. Net position is classified in the following two components: restricted for debt service and construction; and unrestricted net position. Restricted for debt service and construction consists of net position for which constraints are placed thereon by external parties, such as lenders, grantors, contributors, laws, regulations, and enabling legislation, including self-imposed legal mandates, less any related liabilities. Unrestricted consists of all other net position not included in the above categories.

Restricted Resources

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

Transfers to City of York

Transfers to the City of York represent capital expenditures incurred by the Authority for the year to improve the City-owned sewer infrastructure.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts and disclosures. Actual results could differ from those estimates.

Risk Management

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority purchases commercial insurance for all risks of loss. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

Pending Governmental Accounting Standards Board (GASB) Statements

In June of 2017, the GASB issued Statement No. 87, "*Leases.*" This Statement improves the accounting and financial reporting for leases. The provisions of GASB Statement No. 87 are effective for the Authority's December 31, 2022 financial statements.

In May of 2017, the GASB issued Statement No. 88, "*Certain Disclosures Related to Debt, Including Direct Borrowings and Direct Placements.*" This Statement improves the information that is disclosed in the notes to government financial statements related to debt, including direct borrowings and direct placements. It also clarifies which liabilities governments should include when disclosing information related to debt. The provisions of GASB Statement No. 88 are effective for the Authority's December 31, 2020 financial statements.

In June of 2018, the GASB issued Statement No. 89, "*Accounting for Interest Cost Incurred Before the End of a Construction Period.*" This Statement improves financial reporting by providing users of financial statements with more relevant information about capital assets and the cost of borrowing for a reporting period. The resulting information also will enhance the comparability of information about capital assets and

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

the cost of borrowing for a reporting period for both governmental activities and business-type activities. The provisions of GASB Statement No. 89 are effective for the Authority's December 31, 2021 financial statements.

The effect of implementation of these Statements has not yet been determined.

2. Deposits and Investments

The Act provides for investment of public funds in certain authorized investment types including U.S. Treasury bills, other short-term U.S. government obligations, short-term commercial paper issued by a public corporation, banker's acceptances, and insured or collateralized time deposits and certificates of deposit. The Act also allows pooling of governmental funds for investment purposes.

The deposit and investment policy of the Authority adheres to state statutes, prudent business practices, and the applicable trust indentures. The Authority deposits cash in local financial institutions.

Deposits

Custodial Credit Risk - Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a deposit policy for custodial credit risk. As of December 31, 2018, the Authority's deposit balance was as follows:

Cash and cash equivalents	
per financial statements:	
Unrestricted	\$ 28,201
Restricted	12,172,672
	<hr/>
	12,200,873
Less money market funds	(9,271,854)
Total deposits	<hr/> <hr/>
	\$ 2,929,019

At December 31, 2018, \$28,201 of the Authority's cash and cash equivalents on the statement of net position was covered by federal depository insurance, \$2,900,818 was collateralized under Act No. 72 of the 1971 Session of the Pennsylvania General

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

Assembly (Act), in which financial institutions were granted the authority to secure deposits of public bodies by pledging a pool of assets, as defined in the Act, to cover all public funds deposited in excess of federal depository insurance limits. The remaining balance of \$9,271,854 was invested in money market funds.

These money market funds are described in further detail below.

Investments

The Authority's investment in money market funds, totaling \$9,271,854, is considered Level 1 based on quoted market prices at December 31, 2018.

Custodial credit risk – Custodial credit risk is the risk that the counterparty to an investment transaction will fail and the government will not recover the value of the investment or collateral securities that are in possession of an outside party. The Authority does not have an investment policy for custodial credit risk. The Authority's investments are not exposed to custodial credit risk because they are not evidenced by securities in book entry or paper form.

Concentration of credit risk – The Authority places no limit on the amount the Authority may invest in any one issuer.

Credit risk – The Authority does not have a formal policy that would limit its investment choices with regard to credit risk. At December 31, 2018, the money market funds were rated AAAM by Standard & Poor's.

Interest rate risk – The Authority does not have a formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At December 31, 2018, the Authority's money market funds had a weighted average maturity of less than one year.

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

3. Bonds Payable

The Authority has issued revenue bonds to finance various projects and refundings. A schedule of the Authority's bonds follows:

	Issue Amount	Maturity	Interest Rate	Purpose
Guaranteed Sewer Revenue Bonds - Series of 2008	\$10,000,000	2022	2.94%	To: 1) finance capitalized interest; 2) fund a deposit to the debt service reserve fund; 3) plan, design, and construction of additions, improvements, renovations, and extraordinary repairs to the various buildings and facilities of the Authority; 4) pay the costs and expenses related to the issuance of Bonds.
Guaranteed Sewer Revenue Bonds - Series of 2010	\$22,745,000	2027	4.5-5.00%	To: 1) finance projects of the Authority; 2) fund a deposit to the debt service reserve fund; 3) capitalize interest on the Bonds through December 1, 2010; 4) pay the costs and expenses related to the issuance of the Bonds.
Guaranteed Sewer Revenue Bonds - Series A of 2010	\$10,540,000	2019	2.5-4.00%	To: 1) currently refund the Guaranteed Sewer Revenue Bonds, Series of 2007; 2) fund a debt service reserve fund; 3) pay the costs and expenses related to the issuance of the Bonds.
Guaranteed Sewer Revenue Bonds - Series of 2011	\$1,500,000	2021	1.00%	For utilization, development, and construction of alternative and lean energy projects.
Guaranteed Sewer Revenue Bonds - Series of 2017	\$21,025,000	2027	1.5-5.00%	To advance refund the Guaranteed Sewer Revenue Bonds, Series of 2010, and pay the costs and expenses related to the issuance of the Bonds.

4. Leases and Related Party Transactions

In 1987, the Authority entered into a 30-year direct financing lease with the City for the sewer system. The sewer system and related assets are, therefore, not reflected in the accompanying financial statements. Under this lease, the City is required to pay the Authority semiannual installments on May 15 and November 15 of each year, an amount equal to one hundred five percent (105%) of the principal, interest, and all other amounts due under the 1987 Bond Indenture. The installment payments may be reduced in certain instances.

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

In July 2008, the Authority issued Guaranteed Sewer Revenue Bonds, Series of 2008 (Series of 2008 Bonds), in the principal amount of \$10,000,000. The Series of 2008 Bonds initially bore interest at an annual rate of 4.04%, with semi-annual payments of interest commencing on December 1, 2008. Annual payments of principal were to commence on June 1, 2019, with a final payment on December 1, 2022. In March 2011, the Authority approved a modification agreement for the Series of 2008 Bonds, which changed the interest rate to 3.75% and extended the final payment to December 1, 2025. In September 2014, the Authority approved a second modification agreement for the Series of 2008 Bonds, which changed the interest rate to 3.20% to 3.25% and shortened the final payment to December 1, 2022. In February 2017, the Authority approved a third modification agreement for the Series of 2008 Bonds, which changed the interest rate to 2.94%. Also in accordance with the third modification agreement, the Series of 2008 Bonds are subject to a prepayment fee of 2% of the principal sum being prepaid or redeemed during the period of February 10, 2017 through December 31, 2018 and 1% of the principal sum being prepaid or redeemed during the period of December 2, 2018 through December 1, 2021. Thereafter, outstanding principal is subject to prepayment without penalty. The purpose of the Series of 2008 Bonds is described in Note 3. Under this lease, the City is required to pay the Authority an amount equal to one hundred five percent (105%) of the principal, interest, and all other amounts due under the Fourth Supplemental Lease of the 1987 Bond Indenture. The City has pledged its full faith, credit, and taxing power to guarantee the debt service payments related to both principal and interest due on the Series of 2008 Bonds.

In August 2010, the Authority issued Guaranteed Sewer Revenue Bonds, Series A of 2010 (Series A of 2010 Bonds), in the principal amount of \$10,540,000. Semi-annual payments of interest commenced on December 1, 2010. Annual payments of principal commenced on December 1, 2014, with a final payment on December 1, 2019. The purpose of the Series A of 2010 Bonds is described in Note 3. Under this lease, the City is required to pay the Authority an amount equal to one hundred five percent (105%) of the principal, interest, and all other amounts due under the Sixth Supplemental Lease of the 1987 Bond Indenture. The City has pledged its full faith, credit, and taxing power to guarantee the debt service payments related to both principal and interest due on the Series A of 2010 Bonds.

In March 2011, the Authority issued Guaranteed Sewer Revenue Bonds, Series of 2011 (Series of 2011 Bonds), in the principal amount of \$1,500,000. Monthly payments of principal and interest commenced on September 1, 2011, with a final payment on August 1, 2021. The purpose of the Series of 2011 Bonds is described in Note 3. Under

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

this lease, the City is required to pay the Authority an amount equal to one hundred five percent (105%) of the principal, interest, and all other amounts due under the Seventh Supplemental Lease of the 1987 Bond Indenture. The City has pledged its full faith, credit, and taxing power to guarantee the debt service payments related to both principal and interest due on the Series of 2011 Bonds.

In December 2017, the Authority issued the Series of 2017 Bonds, in the principal amount of \$21,025,000. Semi-annual payments of interest commence on June 1, 2018. Annual payments of principal commence on December 1, 2018, with a final payment on December 1, 2027. The purpose of the Series of 2017 Bonds is described in Note 3. Under this lease, the City is required to pay the Authority an amount equal to one hundred five percent (105%) of the principal, interest, and all other amounts due under the Thirteenth Supplemental Lease of the 1987 Bond Indenture. The City has pledged its full faith, credit, and taxing power to guarantee the debt service payments related to both principal and interest due on the Series of 2017 Bonds.

The following is a schedule of future minimum lease payments under the lease agreements and all supplements as of December 31, 2018:

Years Ending December 31,	Amount
2019	\$ 5,506,308
2020	5,511,954
2021	5,497,582
2022	5,155,591
2023	5,173,088
2024-2027	17,616,375
Total minimum lease receivable	44,460,898
Less unearned interest	(9,810,917)
Net investment in direct financing lease receivable	\$ 34,649,981

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

5. Defeasance of Debt

The Authority has defeased certain debt by placing the proceeds of new debt in an irrevocable trust to provide for all future debt service payments on the old debt. The trust account assets and the liability of the defeased debt are not included in the Authority's financial statements. At December 31, 2018, the following defeased debt was outstanding:

	Escrowed as of December 31, 2018	Outstanding as of December 31, 2018
	<u> </u>	<u> </u>
Guaranteed Sewer Revenue Bonds Series of 2010	<u>\$ 23,731,525</u>	<u>\$ 22,745,000</u>

6. Commitments and Contingencies

Under the terms of federal and state grants, periodic audits are required and certain costs may be questioned as not being appropriate expenditures under the terms of the grants. Such audits could lead to reimbursement to the grantor agencies. Authority management believes disallowances, if any, will be immaterial.

In April 2017, the Authority approved a contract for the wastewater treatment plant electrical substation #3 replacement project totaling \$1,227,203. The balance of the contract remaining at December 31, 2018 was \$857,317.

During the year ended December 31, 2018, the Authority approved several contracts for the Township Interceptor Project totaling \$2,663,571. The balance of the contract remaining at December 31, 2018 was \$2,465,700.

During the year ended December 31, 2018, the Authority approved a contract for the York Waste Water Treatment Plan Effluent Filter Replacement Project totaling \$210,000. The balance of the contract remaining at December 31, 2018 was approximately \$192,000.

CITY OF YORK SEWER AUTHORITY
(A Component Unit of the City of York, Pennsylvania)

NOTES TO BASIC FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

During the year ended December 31, 2018, the Authority approved a contract for the Screw Pumps Replacement Project totaling \$447,000. The balance of the contract remaining at December 31, 2018 was \$447,000.

7. Subsequent Events

Subsequent to December 31, 2018, the Authority approved multiple construction and professional service contracts for sewer projects totaling approximately \$5.3 million.

In December 2019, the Authority entered into a variable interest drawdown bond with PNC Bank for a maximum principal amount of \$10,000,000 to fund the construction of renovations and improvements to the sewer system.

In early 2020, an outbreak of a novel strain of coronavirus was identified, and infections have been found in a number of countries around the world, including the United States. The coronavirus and its associated impacts on supply chains, travel, employee productivity and other economic activities has had, and may continue to have, a material effect on financial markets and economic activity. The extent of the impact of the coronavirus on Authority's operational and financial performance is currently uncertain and cannot be predicted.

On April 6, 2021, the Authority closed on a loan in the amount of \$6,807,942 from Pennsylvania Infrastructure Investment Authority. Proceeds of this loan will be used to pay off the existing 2019 PNC Bank loan and pay for the completion of the filter replacement project.

On April 7, 2021, the Authority executed an Asset Purchase Agreement authorizing the sale of the sewer system to Pennsylvania American Water Company for \$235 million under the terms and conditions contained therein.
